Bill Kroen's
GOLF TIP-A-DAY

Is there one hole on your course where you always seem to hit a great drive?

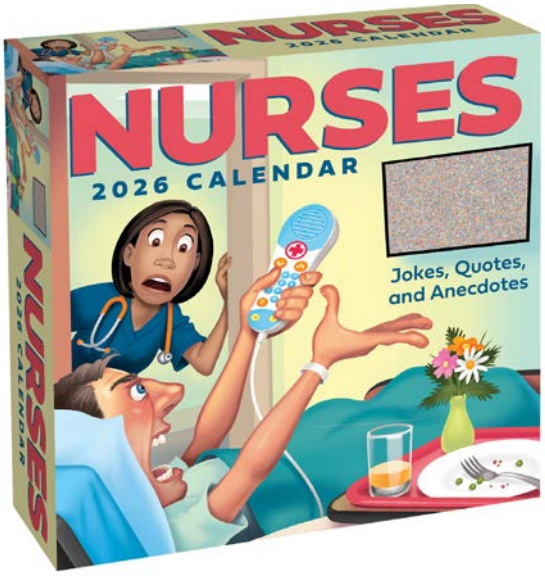

Most golfers have one or two holes on their home course where they hit great drives most of the time. Think about that hole and examine why it is that you have such success. Do you see a better line to your target, do you swing with more freedom, or do you make a tension free swing while feeling confident? The next time you play, try to imagine how you feel when you set up to hit your tee shot on your favorite hole. Try to recapture that feeling as you drive on other holes. You might visualize your favorite hole while playing a different one to see if it helps you to feel confident and free no matter what hole you are playing.

Amber Lotus Sustainability

MINDFULLY OFFSETTING OUR ENVIRONMENTAL IMPACT

WE PLANT TREES—more than ONE MILLION and growing!

Since 2009, Amber Lotus Publishing has been committed to reducing our carbon footprint and resource usage by planting trees. In our ongoing partnership with Trees for the Future, a nonprofit organization that provides resources and training for farming communities in five countries in sub-Saharan Africa, we've proudly financed the planting of over 1,250,000 trees.

NO SINGLE-USE PLASTIC

To reduce plastic pollution, we have eliminated shrink wrap on our calendar products.

SUSTAINABLY SOURCED

We use Forest Stewardship Council® (FSC®) certified paper. The FSC label certifies that the paper is sourced from wood harvested from socially and environmentally sustainable forests. We also print with eco-friendly soy-based ink, furthering our commitment to sustainability.

CARBON OFFSET

One of the key benefits of planting trees as an offset strategy is their continuous removal of CO_2 from the atmosphere. According to Trees for the Future, the trees we've planted are projected to eliminate more than 45,000 metric tons of CO_2 over the next 20 years.

COMING SOON ... BOOKS!

In 2025, Andrews McMeel will launch an Amber Lotus book imprint. The line will showcase the sacred aspects of everyday life—spirituality, healthy living, creativity, and connection with the natural world. Our goal is to produce books readers are proud to own and share: beautiful objects as well as wise companions.

We are also pleased to announce that through our commitment to producing goods with sustainability in mind, the books in the Amber Lotus book imprint will utilize FSC® certified paper and soy-based inks.

Information about the book imprint can be found at: amberlotus.com
