### THE HANOVERIAN SUCCESSION IN GREAT BRITAIN AND ITS EMPIRE

BRENT S. SIROTA & ALLAN I. MACINNES

This book argues that although the Hanoverian succession was a reaffirmation of the Glorious Revolution of 1688-89, especially in defending the nation against popery and arbitrary government, its influence on developments in Church, state, Union, intellectual culture, international relations, political economy and empire is more complex.

### CONVERTING BRITANNIA

GARETH ATKINS

This study of Anglican Evangelicalism in the 'Age of Wilberforce' shows for the first time how Evangelicalism functioned in this period not just as a powerful social movement, but also as a political machine that

exploited the establishment positions of its members in the City of London, the Royal Navy and the Colonial Office and the rapidly developing technologies of mass media to replicate itself both at home and internationally.

### POLITICS, RELIGION AND IDEAS IN SEVENTEENTH- AND EIGHTEENTH- CENTURY BRITAIN

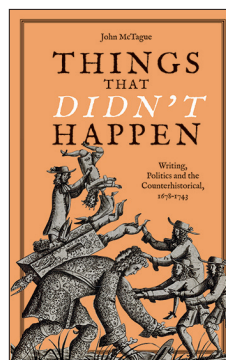

Edited by JUSTIN CHAMPION,  
JOHN COFFEY, TIM HARRIS  
& JOHN MARSHALL

The chapters collected here reflect the range of Mark Goldie's scholarly interests: in Locke, Tory and Whig political thought, and Puritan, Anglican and Catholic political engagement as well as the transformative impact of the Glorious Revolution. They examine events as well as ideas and deal with England, Scotland, France and the Atlantic world.

### THINGS THAT DIDN'T HAPPEN

JOHN MCTAGUE

John McTague draws on a rich variety of sources to investigate the propagandic and literary exploitation of three kinds of things that did not occur at this time: failures which inspired 'what if' narratives, speculative

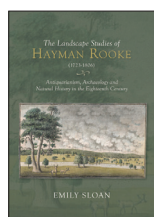

futures which failed to come to pass and 'pure' fictions created and disseminated for political gain. Finally, an innovative reading of the various versions of Pope's *Dunciad*.

## KITTY CLIVE, OR THE FAIR SONGSTER

BERTA JONCUS

Kitty Clive (1711-1785) was a top London stage star. She dominated spoken as well as musical comedy.

From the 1740s onwards, her reputation suffered a sharp decline. For anyone curious about star

production in eighteenth-century Britain, her story is not to be missed.

## GHOSTS IN ENLIGHTENMENT SCOTLAND

MARTHA MCGILL

This book provides the first academic study of the history of Scottish ghosts, 1685-1830. Drawing on a wide range of sources, and examining beliefs across the social spectrum, it shows how ghost stories achieved a new prominence in a period that is more usually associated with the rise of rationalism.

## MOBILITY IN THE ENGLISH NOVEL FROM DEFOE TO AUSTEN

CHRIS EWERS

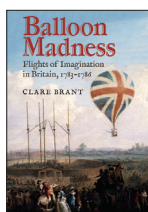

Chris Ewers argues that the reconfiguration of local geography and the new experience of moving through space at speed had a profound effect upon the narrative and form of the novel, leaving its mark on genre, prose technique, the depiction of class and gender relations and the way texts are structured.

## ECONOMY AND CULTURE IN NORTH-EAST ENGLAND, 1500-1800

Edited by ADRIAN GREEN  
& BARBARA CROSBIE

The book demonstrates that the economy of North-East England was not dominated by coal and that the interplay of social, political and cultural forces was vital for industrial development. Putting forward many new research findings and much new thinking, the book has much to offer economic and social historians.

## CAMERALISM IN PRACTICE

Edited by MARTEN SEPPTEL  
& KEITH TRIBE

This volume demonstrates that the cameralist conception of state and economy - a form of 'science' of government, dedicated to reforming society while promoting economic development, had significant impact far beyond the German heartlands. In fact, its influence spread into Denmark, Sweden, Russia, Portugal, Northern Italy and other parts of Europe.
