Published by the Catholic University of America Press and the St. Paul Center

The English edition of Nova et Vetera is published quarterly and provides an international forum for theological and philosophical studies from a Thomistic perspective. Nova et Vetera welcomes articles and book reviews in theology, philosophy, and biblical studies that address contemporary debates and discussions. It seeks to be “at the heart of the church,” faithful to the Magisterium and the teachings of the Second Vatican Council, and devoted to the work of true dialogue, both ecumenically and across intellectual disciplines.
