

GET DOLLED UP

Although your BFD (Best Friend Doll) will always be number one, it's fun to play with a doll you can decorate as well. Just cut along the dotted line, ready your embellishments (that's a fancy word for decorations), and get your paper doll all dolled up!

Draw a stylish dress on your paper doll with markers or crayons.

Glue on pretty yarn for hair and a ribbon for added fancy flair.

Don't forget accessories (that's a fancy word for all the extra stuff girls use) like a purse, jewelry, belt, gloves, or hat.

Sequins and feathers make fun and fancy additions to your doll's look—simply add them on with a glue stick.

When you're done, give your doll a name and even a story. Make up an adventure for your doll, or have your guests form small groups and create stories for their dolls together.
