The Georgia River Network Guides are the definitive guides to paddling, camping, and fishing on Georgia’s rivers. Each guide provides many little-known facts about a Georgia’s river, brings to life the river’s cultural and natural history, and presents river issues in an immersive and engaging manner that will inspire users to help protect their local waterways.

SERIES EDITOR

JOE COOK is the executive director of the Coosa River Basin Initiative and coordinator of Georgia River Network’s annual Paddle Georgia event. His photography has been widely published, and he is the author of Etowah River User’s Guide and coauthor with Monica Cook of River Song: A Journey Down the Chattahoochee and Apalachicola Rivers.
