

# Association of Writers and Writing Programs Award for Creative Nonfiction

Creative nonfiction: compelling, groundbreaking memoirs and essay collections that embrace real subjects and true events through literary techniques more commonly associated with fiction or poetry. The Association of Writers and Writing Programs (AWP) is a nonprofit organization of writers, teachers, colleges, and universities. The creative nonfiction competition is open to all authors writing in English regardless of nationality or residence. Winners receive a \$2,000 cash honorarium from AWP and publication by the University of Georgia Press.
