
Studies in Civil-Military Relations

WILLIAM A. TAYLOR, SERIES EDITOR

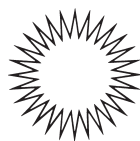

This series publishes original manuscripts, imparting a variety of valuable perspectives, that analyze the myriad interactions between governments, militaries, and societies. The series is global in scope, multidisciplinary in approach, and accessible in presentation, providing an intellectual home for the best and newest research on civil-military relations across a broad spectrum of case studies and comparative frameworks. The editorial approach is as inclusive as possible, with the common theme being a work's special contribution to an informed understanding of civil-military relations.
