THE BABYSITTER

Nancy Bush

New York Times bestselling author Nancy Bush continues to push the boundaries of thrillers and suspense, blending gritty crime and romantic passion into one breathtaking plot. In *The Babysitter*, a killer is preying on teenage babysitters. Is this new nightmare connected with the horrific night twenty years ago that left two sisters scarred for life?

The whispers may scare you...

In River Glen, Oregon, rumors are spreading about the Babysitter Stalker. One victim was fatally stabbed. A second fell—or was pushed—from a rooftop deck. High school sophomore Jamie Whelon, scheduled to watch the Ryerson twins tonight, isn't worried. She's more interested in the party she'll go to later, as soon as her sister Emma arrives to take over babysitting duties. But nothing goes according to plan...

But the truth...

Twenty years after that night's vicious attack, Emma remains scarred in body and mind. Jamie, back in River Glen after their mother's death, still feels guilty over trading places that fateful evening. Then suddenly another young babysitter is attacked. Jamie, with a teenage daughter of her own, fears something much more twisted than coincidence.

Can KILL you.

Is this new nightmare connected with those long-ago crimes? Emma's fractured memories may contain the answer. But the deeper Jamie digs, the darker the secrets waiting to be uncovered—and avenged...

Now that their mischievous younger twin siblings have worked their matchmaking talents on the oldest two brothers, they won't stop until they've found the perfect match for Austin...

Between work and keeping his little brothers out of trouble, Austin Petersheim barely has time to think, much less court the most popular *maiden* in town. But if he can establish a local market to direct-sell his family's goods, he'll stand out as a potential husband. He's so grateful for the help of his longtime friend, Hannah Yutzy, who has such practical ideas—and is so easy to talk to...

While Austin embarks on his plan, his siblings have a plan of their own: to give Austin and Hannah a little nudge to show them they're made for each other. When their antics wreak havoc with a rival family emporium, Hannah must help Austin set things right. And as she does just that, Austin is stunned to realize his best friend could be his perfect wife. Now he'll just need the courage and faith to find out if she agrees...

HIS PRETEND AMISH BRIDE

The Unexpected Amish Blessings Series

Rachel J. Good

Life can be surprising, sometimes upending even the best-laid plans. But sometimes those unforeseen detours can be a gift, as in Rachel J. Good's new Unexpected Amish Blessings romance series. When a jilted *English* schoolteacher still nursing her broken heart gets mistaken for an Amish camel farmer's wife, the two keep up the ruse to save his business while secretly hoping by the grace of God that fiction could be a reality.

In a small Amish town like picturesque Lancaster, Pennsylvania, one solution to an indiscretion is to make a good marriage. Or perhaps, fake a respectable engagement.

Priscilla Ebersol has a fulfilling life teaching special needs children—until her boyfriend's humiliating betrayal ruins her reputation and threatens her job. Ostracized for something she didn't do, Priscilla throws herself into a project on the benefits of camel's milk for autism. Her research leads her to a fledgling local camel farm, where she discovers far more than she bargained for...

When a pushy *English* company shows interest in shy, handsome Gabriel Kauffman's camel farm, he struggles to get out of a sticky negotiation. Lovely, well-spoken Priscilla appears at the perfect moment, and defends Gabe's business so well that she is mistaken for his wife. It's a ruse the two quietly continue, all the while secretly wishing it could be true. But though their bond deepens, Priscilla's heart is still wounded, and Gabe battles with a troubling secret. And when a misunderstanding comes between them, it will take faith, honesty, and trust in the future to overcome the past—and allow their partnership to blossom into something more...

LET JUSTICE DESCEND

The Gardiner and Renner Series

Lisa Black

Maggie Gardiner, a Cleveland CSI who studies the dead, and her unlikely partner, a vigilante homicide cop who stalks the living, probe the dirty politics behind a Senator's murder in the brilliantly twisted fifth Gardiner and Renner novel by forensic analyst and bestselling author Lisa Black.

In a taut, brilliantly twisted new thriller, forensics expert Maggie Gardiner and Cleveland detective Jack Renner investigate the bizarre murder of a senator with secrets to hide...

Three days before a key election, U.S. Senator Diane Cragin is electrocuted on her own doorstep—a shocking twist in an already brutal political race. Cragin's chief of staff is quick to blame rival Joey Green, a city development director who's had his hand in every till in town for over twenty years.

Maggie and Jack have their own theories, especially after discovering a fortune in cash in the senator's safe. But as they follow the money through the treacherous landscape of Cleveland politics, they find many more millions in play—and more suspects. As Jack says, "Anyone can be dangerous, when they have what they think is a good reason." He should know. Now a Herald reporter is perilously close to discovering the truth about Jack's penchant for acting as both detective and executioner. With each passing hour, the stresses of the impending election expose new fractures and corruption at the city's highest levels. And as one murder leads to another, and another, Maggie and Jack's only hope of stopping a killer is an alliance that's growing ever more fragile.

WITCH HUNT

Cate Conte

Charmed meets Murder, She Wrote in Cate Conte's new cozy mystery series featuring a spellbinding protagonist—the unwitting descendant of a long line of witches—who owns a crystal shop in her quaint Connecticut town.

Murder isn't always crystal-clear...especially when the prime suspect discovers she's a witch.

Violet Mooney owns The Full Moon crystal shop in quaint North Harbor, Connecticut. Still grieving her beloved grandmother's recent unexpected death, she takes comfort in her fat orange cat Monty and her work. Not everyone in town is thrilled with her business, however. When disagreeable town councilwoman Carla Fernandez picks a fight over Violet's "voodoo shop," the two have a very public confrontation. Of course, when Carla turns up dead, Violet gets little sympathy from the police as suspect #1.

But the shock of two policemen showing up at her door pales in comparison to the sudden appearance of her estranged mother Fiona and a surprise sister, Zoe. What Fiona reveals will rock her world and her sense of self—and reawaken her long-dormant mysterious power. Good thing. She's gonna need it...

Praise for Cate Conte

"In a subgenre in which dialogue and character development typically take a back seat to ailurophilia, Conte's cat cafe series is eminently readable and often immersive."

—**Kirkus Reviews on Tell Tail Heart**

"Like the best of its subgenre, *Cat About Town* achieves an intimacy of time, place, and people that immediately draws you in and makes you want to stay a while despite the inevitable crime(s) at hand. There's an undeniable comfort to Cate Conte's storytelling that will leave readers wanting—perhaps even kneading—more."

—**Criminal Element**

"Conte's well-plotted novel with a host of likeable characters is a Valentine for any cat lover."

—**Best Friends Magazine on Cat About Town**

"Cate Conte delivers a triumphant *Purrrder She Wrote*, which lovingly straddles the conventions of the cozy genre while also practicing the subtle art of subversion. Both the whos and the whys are worthy of your time and attention, as is the welcoming backdrop against which these questions play out. Despite the inevitable cat-astrophes, the end result is a whole lot of fun—but with a generous and good-natured side scoop of frisky."

—**Criminal Element on Purrrder She Wrote**

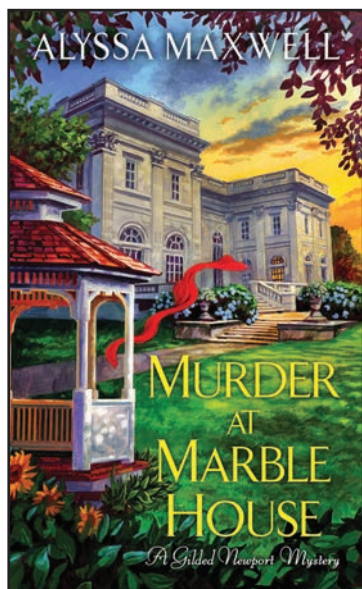

Cate Conte serves on the Sisters in Crime New England board and is a member of Sisters in Crime National, Mystery Writers of America, and the Cat Writers' Association. She currently lives in Connecticut and is also the author of the Cat Café mysteries. Visit her at CateConte.com.

MURDER AT MARBLE HOUSE

The Gilded Newport Mystery Series

Alyssa Maxwell

In glittering Newport, Rhode Island, at the close of the nineteenth century, status is everything. But despite being a poorer relation to the venerable Vanderbilts, Emma Cross has shaped her own identity—as a reporter and a sleuth. In Alyssa Maxwell's second Gilded Newport Mystery, the venerable Vanderbilt family must turn to cousin and society page reporter Emma Cross to solve a murder and a disappearance...

Responding to a frantic call on her newfangled telephone from her eighteen-year-old cousin, Consuelo Vanderbilt, Emma Cross arrives at the Marble House mansion and learns that Consuelo's mother, Alva, is forcing her to marry the Duke of Marlborough. Her mother has even called in a fortune teller to assure Consuelo of a happy future.

But the future is short-lived for the fortune teller, who is found dead by her crystal ball. Standing above her is one of the Vanderbilts' maids, who is promptly taken into police custody. After the frenzy dies down, Consuelo is nowhere to be found. Emma must determine if the vanishing Vanderbilt has eloped with the beau of her choice—or if her disappearance may be directly connected to the murder...

Praise for Alyssa Maxwell's Gilded Newport Mysteries

"Plenty of red herrings and an intimate look at the world of the wealthy and famous make for a rich broth of a mystery."

—*Kirkus on Murder at Ochre Court*

"A lively romp in true Maxwell fashion—a good mystery with just the right amount of historical detail thrown in."

—*Mystery Scene on Murder at Chateau sur Mer*

"Several cuts above the usual feisty heroine tale; it provides a good picture of life among the privileged—and not-so-privileged—classes in Gilded Newport."

—*San Jose Mercury News on Murder at Beechwood*

"Sorry to see the conclusion of Downton Abbey? Well, here is a morsel to get you through a long afternoon. Brew some Earl Grey and settle down with a scone with this one."

—*The Washington Independent Review of Books on Murder at the Breakers*

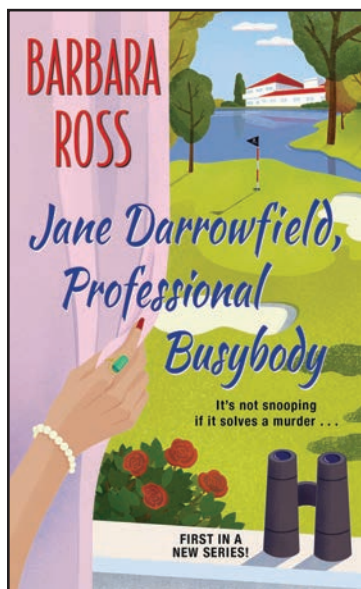

Alyssa Maxwell is the acclaimed author of the Gilded Newport Mysteries and the Lady and Lady's Maid Mystery Series. She began a love affair with the city of Newport years ago. Time and again the colonial neighborhoods and grand mansions drew her to return, and on one of those later visits she met the man who would become her husband. Always a lover of history, Maxwell found that marrying into a large, generations-old Newport family opened up an exciting new world of historical discovery. Today, she and her husband reside in Florida, but part of her heart remains firmly in that small New England city of great historical significance. JANE DARROWFIELD, PROFESSIONAL BUSYBODY

The Jane Darrowfield Mystery Series
Barbara Ross

Jane Darrowfield is a year into her retirement, and she's already traveled and planted a garden. She's organized her photos, her recipes, and her spices. The statistics suggest she has at least a few more decades ahead of her, so she better find something to do...

After Jane helps a friend with a sticky personal problem, word starts to spread around her bridge club—and then around all of West Cambridge, Massachusetts—that she's the go-to girl for situations that need discreet fixing. Soon she has her first paid assignment—the director of a 55-and-over condo community needs her to de-escalate hostilities among the residents. As Jane discovers after moving in for her undercover assignment, the mature set can be as immature as any high schoolers, and war is breaking out between cliques.

It seems she might make some progress—until one of the aging “popular kids” is bludgeoned to death with a golf club. And though the automatic sprinklers have washed away much of the evidence, Jane's on course to find out whodunit...

The Reeves Sisters Series

Cydney Rax

Known for delivering soapy, dramatic tales, Cydney Rax returns with the mass market edition of the third book in her Reeves Sisters series, which tells the stories of five sisters who refuse to let anything get in the way of their family bonds, until secrets threaten to tear down everything they've built.

For the five Reeves women, nothing is more important than keeping their family bond tight and their communication flowing. But honesty isn't so clear cut when it could blow up everything they've fought to build.

Already reeling from betrayal, middle sister Coco is fed up with lies—including her own. If she has her way, someone else's neck needs to be on the line for a change. But soon, Coco's in deep trouble with the law, her future hanging in the balance... Now the only thing that can save her is revealing one last devastating truth.

Struggling with unthinkable loss, Coco's sister, Burgundy, finds comfort in a colleague's arms. But her seven-year-old daughter wants no parts of him. She wants the life she enjoyed when her father was alive. As Burgundy fights to move on from the shocking tragedy of her marriage, she seeks a silver lining. And against all odds, she wants herself and all her sisters to win. In spite of secrets, lies, deception, and hurt, she will do whatever it takes to support and empower her family. Even if it means risking everything that's important to her.

Now between revenge, grief, and forgiveness, these siblings will challenge themselves—and all they think they know about each other—in a showdown that may leave them united—or cause them to forever fall apart.

HELLFIRE

The Jonathan Grave Thriller Series

John Gilstrap

A deadly ambush, a ruthless kidnapping of two young boys, and a vicious drug cartel's insidious attack send special ops veteran Jonathan Grave on a relentless mission of revenge in the 12th novel in *New York Times* bestselling author John Gilstrap's popular Jonathan Grave series.

For hostage rescue specialist Jonathan Grave, every mission is a matter of life or death. But he faces his most personal challenge yet when two boys are abducted while being driven to Resurrection House, the school Jonathan founded as a sanctuary for children of incarcerated parents. The boys were entrusted to Jonathan's care. Now they're missing. It's time to fight fire with fire...

The boy's mom, Connie Kendall, is awaiting trial on drug smuggling charges. Prosecutors want her to testify against the brutal Cortez Cartel to help bring down their ruthless operations. If she cooperates, she'll get an easier sentence. But with her kids in the grip of the cartel, her lips are sealed.

As Jonathan and his team of skilled operatives close in on the kidnappers, they realize that their enemies aren't just hell-bent on selling drugs. Rival factions have even deadlier agendas. The clock is ticking on an attack that could kill thousands in a single breath. And it's almost zero hour...

A GOOD DAY FOR A MASSACRE

The Slash and Pecos Western Series

William W. Johnstone; J.A. Johnstone

Not every Western hero wears a white hat or a tin star. Most of them are just fighting to survive. Some of them can be liars, cheaters, and thieves. And then there's a couple of old-time robbers named Slash and Pecos...two wanted outlaws with one hell of a story.

The Cutthroats are back. The bad guys are history.

Life on the straight and narrow is easier said than done for a pair of crooks like Jimmy "Slash" Braddock and Melvin "Pecos Kid" Baker. But these reprobates are doing their damndest to make an honest go of it. They've managed to safely deliver a church organ to a mountain parish when their sometime employer—Chief U.S. Marshal Luther T. "Bleed-'m-So" Bledsoe—recruits them for a job only fools would take.

Marshal Bledsoe wants them to pick up a shipment of gold in the mining town in the Sawatch Mountains. Here's the catch: Slash and Pecos's wagon is just a decoy. When a ruthless gang ambushes the real gold shipment, it's up to Slash and Pecos to go after the trigger-happy bandits. And they won't be alone. A lady Pinkerton, Hattie Friendly—who is anything but—survived the ambush and is hellbent on getting the gold back. Even if she has to team up with a pair of ornery old cutthroats like Slash and Pecos...

GET OUT OF TOWN

The Sheriff Aaron Mackey Western Series

Terrence McCauley

Super-charged with adrenaline-fueled, gritty action, historical detail and realistic characters, the third Sheriff Aaron Mackey Western by Spur Award finalist Terrence McCauley is a Western epic.

Dover Station, Montana, is no place for a lawman. A sheriff's badge ain't worth a nickel here—unless you've got the bullets to back it up...

When he signed up to be sheriff of this dirty little boomtown, Aaron Mackey knew he was asking for trouble. Once, when Mackey was the U.S. marshal for the whole Montana Territory, he swore no job could get any harder. But that was before he took down a few of the bank-robbing Hancock gang in Dover Station—and incurred the wrath of the gang's maniacal matriarch, Mad Nellie Hancock.

And that was before every avenging outlaw and hired henchmen came crawling out of the woodwork to kill him—in the meanest, bloodiest showdown the town had ever seen...

Aaron Mackey knows you can't fight city hall. But you can flush out every kill-crazy outlaw, greedy grifter, and boomtown rat—then exterminate with extreme prejudice...

Praise for the Sheriff Aaron Mackey Westerns

"A captivating Western...the setting is harsh and evocative; the villain is sufficiently slimy and scheming; and even the violence is gratifying, as the punches are strong and swift and the bullets whiz by close enough to make readers' hair stand on end. The plot progresses with calculated, yet dramatic, twists and turns...The author manages to craft an ending that will strike the reader's sweet spot between being deeply satisfied and yearning for more. Folks picking up this title will likely seek out the preceding book and will eagerly wait for the next."

—Booklist, STARRED REVIEW on *Dark Territory*

"Comes out guns blazing from the very first page and doesn't let up until the action-packed finale...McCauley does an expert job of weaving suspense and intrigue into this traditional Western tale. Along with the enjoyable Western tropes, McCauley incorporates elements of a good old-fashioned mystery that make this book a real page-turner."

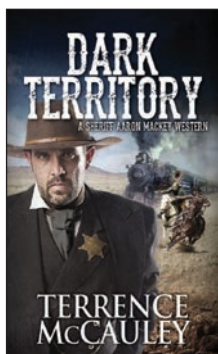

—True West on *Dark Territory*

"*Dark Territory* has much to offer. Well written, it is at once a first-rate Western, expertly exploiting all the genre's tropes and traditions, and a political thriller, as Mackey needs to rely on his acumen as much as his brawn and shooting skills. Well paced, its quieter moments are as compelling as its outstanding action set pieces. McCauley has definitely piqued my interest—I'm going to seek out previous works, as well as follow him in the future."

—Mystery Scene

"Sheriff Mackey is a hard-nosed Western hero of the Civil War who packs a punch with both his fists and his guns. Prepare yourself for a fast-paced ride as you turn the pages as tension builds until the final chapter"

—The Historical Novels Review on *Dark Territory*

4/19 (978-0-7860-4344-6)

10/18 (978-0-7860-4342-2)

KEY SELLING POINTS

- Terrence McCauley crafts meticulously researched historical settings populated by complicated, three-dimensional characters whose human drives and conflicts would be as relevant in 21st century New York as they are in the lawless expanse of 19th century Montana Territory. The result is an historical Western with a crime fiction soul.
- This third installment in the series infuses a realistic traditional Western with McCauley's skill for writing action-packed, gritty thrillers. The result—much like the writing of Elmore Leonard—appeals to fans of Westerns, thrillers and historical fiction alike.
- The recipient of the Silver Medal for Historical Fiction from the Military Writers Society of America, Terrence McCauley is an ITW Award and Spur Award finalist. His previous novels have been praised by *Kirkus*, *Booklist*, *Publishers Weekly*, and bestselling authors such as Marc Cameron and Reed Farrell Coleman.
- *Where the Bullets Fly* was a *True West* Best Paperback Western of the Year, winner of the Western Fictioneers Peacemaker Award and Spur Award finalist.
- McCauley is a member of the New York City chapter of the Mystery Writers of America, the International Thriller Writers, the International Crime Writers Association and the Montana Historical Society.

"Terrance McCauley has done it again. The author of *Where The Bullets Fly* has followed it up with another excellent read, *Dark Territory*... Train robberies, labor agitators, small town elections, suicides, love interests, attempted assassinations and shoot 'em ups fill the book. The action starts on the first page and keeps on going. Twists and turns kept me from figuring out the ending until I had only 2 1/2 pages left to read. Enough, I don't want this review to be as long as the book. Get it, read it, you will be glad you did."

—Rope Burns

"The action starts in chapter one and doesn't let up."

—Rope Burns on *Where the Bullets Fly*

"Sheriff Mackey is clearly defined, realistic for the time period, and totally believable. The pace, from the opening pages to the final satisfying end, is unrelenting. An exceptional Western novel."

—Historical Novels Review on *Where the Bullets Fly*

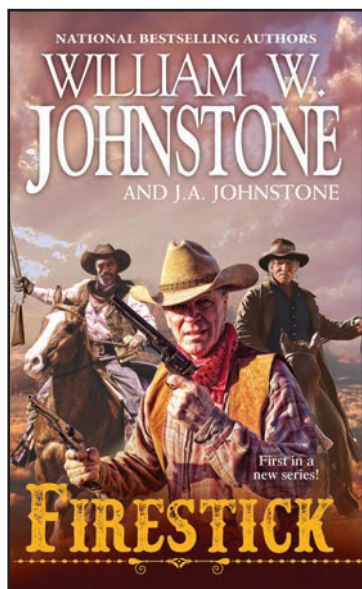

"Fans of crime fiction and thrillers know Terrence McCauley as a first-rate storyteller who can handle action scenes while capturing the mood of New York City in the 1930s and today. Turns out, McCauley's more than a fair hand at Westerns too... Imagine a spaghetti Western with flawed characters and nonstop action. Or Rooster Cogburn, without the eyepatch and a whole lot meaner."

FIRESTICK

The Firestick Western Series

William W. Johnstone; J.A. Johnstone

In this exciting new series, bestselling authors William W. Johnstone and J.A. Johnstone pay homage to America's trail-hardened backwoodsmen who, like a fine grain whiskey, only get better with age...

Johnstone Justice. What America Needs Now.

In his mountain-man days, Elwood "Firestick" McQueen was practically a living legend. His hunting, tracking, and trapping skills were known far and wide. But it was his deadly accuracy with a rifle that earned him the Indian name "Firestick." His two best buddies are Malachi "Beartooth" Skinner—whose knife was as fatal as a grizzly's chompers—and Jim "Moosejaw" Hendricks, who once wielded the jawbone of a moose to crush his enemies in the heat of battle.

Of course, things are different nowadays. The trio have finally settled down, running a horse ranch in West Texas—and spending quality time with their lady friends. But if you think these old boys are ready for lives of leisure, think again...

Firestick is the Town Marshal. Beartooth and Moosejaw are his deputies. And when a hired gunman shows up with bullets blazing, these three hard-cases are ready to prove they aren't getting older.

They're getting deadlier...

William W. Johnstone is the *New York Times* and *USA Today* bestselling author of over 400 novels of Western adventure, military action, chilling suspense, and survival. The son of a minister and a teacher, he left school at fifteen to work in a carnival and then as a deputy sheriff before serving in the army. He went on to become known as "the Greatest Western writer of the 21st century." Visit him online at WilliamJohnstone.net.

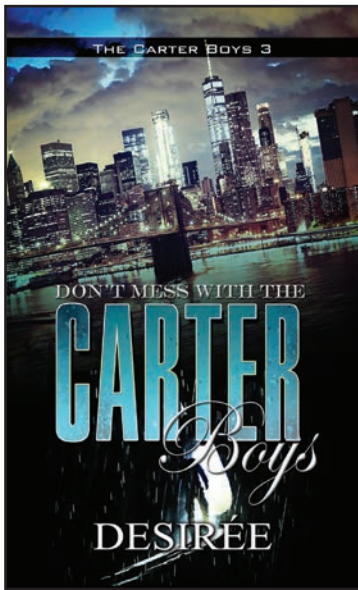

J.A. Johnstone learned to write from the master himself, Uncle William W. Johnstone, who began tutoring J.A. at an early age. After-school hours were often spent retyping manuscripts or researching his massive American Western History library as well as the more modern wars and conflicts. J.A. worked hard—and learned. "Every day with Bill was an adventure story in itself. Bill taught me all he could about the art of storytelling. 'Keep the historical facts accurate,' he would say 'Remember the readers, and as your grandfather once told me, be the best Johnstone you can be.'" J.A. Johnstone has co-written numerous bestselling series with William W. Johnstone including *The First Mountain Man*, *The Brothers O'Brien*, and *Preacher*, *The First Mountain Man*.

DON'T MESS WITH THE CARTER BOYS

Desirée

The Carter Boys are a rap group on the rise, and their name rings loud in Atlanta. With their pretty-boy looks and take-no-prisoners demeanor, all the men want to be like them, and women will fight to be with them. They're back again in this third installment of the wild and crazy, oh-so-addictive Carter Boys series.

Shiloh, Anthony, Jaheim, Talin, Elijah, and Trent have so many things going on outside of the family that there is little time to keep a watchful eye on the princess of the Carter family—baby sister Olivia. All that changes when the secret life she's been hiding comes to the forefront, causing a couple of her siblings to feel some type of way. Whether they're for her or against her, the Carter men try to deal with what Olivia has going on, all while trying to handle their own drama.

Surprise proposals, unexpected pregnancies, sexual tension, more lies, some truths, meeting the in-laws, and a big family dinner that starts and ends with so much chaos that a few brothers literally come to blows are just a few of the things jumping off with this crazy cast of characters. Let the creative mind of Desirée take you on another trip to Atlanta, where the Carter family and all their drama is sure to keep you thoroughly entertained.

THE WRIGHT KIND OF LOVE

Genesis Woods

Tobias Wright has always gotten everything he's wanted, including Niecey, the love of his life. A chance meeting at one of the lounge bars that he owns was all it took for him to fall head over heels in love with her. Fast forward two years later, Toby and Niecey are happily engaged and ready to become man and wife. That is, until her ex-boyfriend, Will, pops back into the picture, causing trust issues between her and Tobias.

The only man who could possibly cause ShaNiece Taylor to ever doubt her love for Toby is William "Big Will" Davis, the man she will always remember as her first love. Their childhood romance wasn't an ordinary fairy tale love, but it did come close. The on again, off again relationship was a normal routine for them, until Will fathered a child with her twin sister, LaNiece. Even with all that drama, can you fully take your love away from someone after years of giving it away so freely?

When you stop listening to your heart and start to entertain the thoughts in your mind, don't be surprised if you end up losing the best thing that has ever happened to you. One night of pleasure can lead to a lifetime of regret, especially if it isn't the right kind of love.

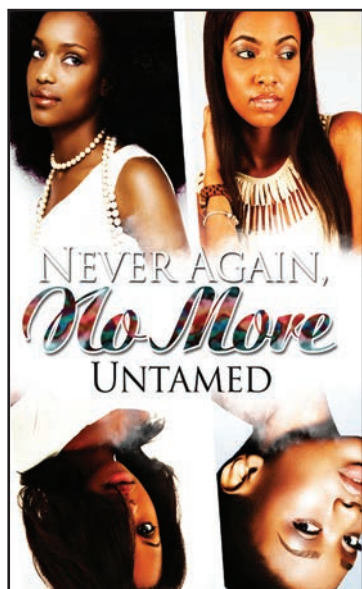

Born in Detroit and raised in Long Beach, California, **Genesis Woods** got into trouble because of her overactive imagination. When she wasn't outside causing havoc, she was in her room reading, writing, or drawing. Genesis currently resides in Los Angeles with her two beautiful daughters.
