CONVOLUTED CODE

A cryptogram is a puzzle where each letter is consistently substituted with another. It is often used for infamous quotes, like those found in *A Series of Unfortunate Events: The Blank Book*.

The first cryptogram has been done for you. As you crack the code, use it to solve the other cryptograms below. If you are having a lot of trouble, anonymous volunteers suggest using the code at the bottom of this page.

Zvfwfysac cgneah rx ieyfcgxh, ynl oxh isclvfxc.

Has the following solution:

Criminals should be punished, not fed pastries.
