When you eat with Jesus, anything can happen!

Welcome to Come to the Table, an interactive VBS where children learn that everyone is welcome at God’s table! The five Bible stories in this curriculum explore stories about Jesus from the Gospels of Luke and John. These stories show Jesus eating with unexpected people, providing food for a crowd, demonstrating humility, and extending welcome and forgiveness. Through worship and drama, Bible study, art and science projects, and active games, children are welcomed to taste and share at God’s table, where there is always enough! Come to the Table invites children to see that God loves and welcomes all people and challenges them to share that same love and hospitality in their everyday lives.

The Come to the Table VBS starter kit from Shine Curriculum comes with everything you need to implement an engaging, Bible-based VBS program, no matter your setting.
