

Make Your Own Shel Silverstein Door Hanger

Print this page and cut
out the door hanger,
making sure to cut a slit
in the top of the circle.
Hang it on your door
when you want to keep
others out (or yourself in)!

Safety Note: Remember to always
ask a grown-up for help when
using scissors.

KEEP OUT!

KEEP-OUT HOUSE

At last—I finished my keep-out house,
A house that's meant for privacy,
A house that's meant for peacefulness,
A house just meant for only me.
There is no door where strangers knock,
No window where they peek and grin.
A perfect, private keep-out house . . .
Now . . . how do I get in?
