DON SHULA

A Biography of the Winningest Coach in NFL History

- Advance Reading Copies available
- Targeted marketing to football communities
- Co-op available

A revealing look at one of pro football's most legendary figures!

In *Don Shula: A Biography of the Winningest Coach in NFL History*, acclaimed sports historian Carlo DeVito captures the story of one of the greatest coaches in sports history. First distinguishing himself as a player with the Cleveland Browns (under the great Paul Brown), Baltimore Colts, and Washington Redskins, Donald Francis Shula went on to be the boy wonder of the NFL as a coach. After serving for three seasons as the defensive coordinator for the Detroit Lions, where he oversaw one of the NFL's toughest units, Shula was named the youngest head coach in NFL history when he took over the Baltimore Colts in 1963. But after public feuding with star quarterback Johnny Unitas and owner Carroll Rosenbloom, and despite leading the team to two NFL championship games, Shula accepted the job as head coach of the perennial doormat Miami Dolphins in 1970.

Within a few seasons, he took the Dolphins to three straight Super Bowls, winning twice, including the only undefeated Super Bowl championship season in 1972 behind a bruising running attack led by two 1,000 yard rushers, Larry Csonka and Mercury Morris, as well as the unheralded "No-Name Defense." Shula won more games (328) than any other coach in NFL history, led his teams to six Super Bowls, and only posted a losing record twice in thirty-three seasons on the sideline. He was enshrined in the Pro Football Hall of Fame in 1997. *Don Shula* chronicles the life of one of the greatest minds ever to be involved with the game, from the dawn of modern football to the close of the twentieth century.

CARLO DeVITO is the author of more than fifteen books, including *D. Wayne: The High-Rolling and Fast Times of America's Premiere Horse Trainer*; *Wellington: The Maras, the Giants, and the City of New York*; and *Yogi: The Life and Times of an American Original*. He is co-owner of the Hudson-Chatham Winery and resides in Ghent, New York.

Tales from the San Francisco 49ers Sideline

The remarkable story behind one of the NFL's greatest teams of all time!

In 1979, San Francisco was in turmoil attempting to recover from the assassination of two of its leaders: Mayor George Moscone and Supervisor Harvey Milk. The troubled city was in need of an emotional boost to restore their pride. But as the year drew to a sad close, the city's professional football team, the 49ers, endured its second straight 2–14 season and it, too, was in deep despair. Critics jumped on Eddie DeBartolo Jr., the new owner, along with rookie head coach Bill Walsh.

Yet, there were promising signs that the 49ers were headed into a new era. The losses were closer. The player draft included an exciting quarterback named Joe Montana. The favorable signs proved prophetic. Over the next decade, the 49ers created a dynasty that was as unique as it was unexpected, winning four Super Bowls. The heroes were Walsh, the coach of speed and detail and long working hours, and Montana, who proved to be the perfect fit for Walsh's fast-paced West Coast offense. In *When the 49ers Were Kings*, award-winning football writer Gordon Forbes examines how Walsh and DeBartolo assembled one of the greatest teams in pro football history featuring a legendary cast including Montana, Jerry Rice, and Ronnie Lott and unforgettable moments such as Dwight Clark and "The Catch," a key goal-line stand in their first Super Bowl victory, and the last-minute drive capped by John Taylor's Super Bowl-winning touchdown in Walsh's final game.

It was a special time in a very special city when Walsh and DeBartolo made the 49ers kings of San Francisco.

GORDON FORBES is one of the most prolific sports writers today. In his thirty-five-year career he has covered more than nine hundred games, including thirty-nine Super Bowls. He spent two decades as the pro football editor at *USA Today*. In 1988, he was a recipient of the Pro Football Hall of Fame's Dick McCann Memorial Award. He lives in Lakewood, New Jersey, with his cockapoo, Smarty Jones.

The history of the top moments in UCLA football!

The history of UCLA football is a continuous story of highs and lows, ups and downs. Every year from 1919 through today, UCLA has fielded a team, and though the expectations have changed through the years, the goals have not. The single greatest goal in sports is to win your next game. When a team strings enough wins together, a magical season is born.

In the *UCLA Football Encyclopedia*, Stueve doesn't miss a beat in his coverage of all the magical seasons, as well as the not-so-magical seasons, from the inaugural one through 2017. He covers the UCLA coaches, as well as the players who have left a lasting legacy. Along the way, he captures all the details about the wins, the losses, the individual and team records, the assistant coaches, and the players that built the foundation of the program.

The story of UCLA football is often a story of "almost," and in this book, readers will relive the times UCLA simply refused to settle for "almost." These tales feature legends Fred Cozens, Red Sanders, Tommy Prothro, Jim Mora, and countless other Bruins stars, past and present. Stueve also recounts the upbringing of Donn Moomaw and that of Maurice Jones-Drew. Complete with dozens of historical photographs, this book is the most extensive book ever written on UCLA football and is a must-read for every UCLA football fan nationwide.

SPENCER STUEVE attended UCLA and graduated in 2015. He is a lifelong fan of the UCLA Bruins and a former writer for the UCLA Bruins college sports fan blog GoJoeBruin.com. He has also published a book on the rivalry between UCLA and USC football teams titled *UCLA vs. USC: A Rivalry of Hate*. Spencer Stueve resides in Los Angeles, California.

Relive the most miraculous moments of the Alabama Crimson Tide!

Alabama's Crimson Tide has been the most dominant college football team in America for the past decade, winning five national championships and six conference titles. The team, under coach Nick Saban, has won an astounding 90 percent of its games since 2008, and established a dynasty unparalleled in modern college football.

Along the way, some of the best players in the nation have been a part of this extraordinary program—from Don Hutson, Harry Gilmer, Bart Starr, Joe Namath, Ken Stabler, John Hannah, Lee Roy Jordan, Derrick Thomas, and Cornelius Bennett to Julio Jones, Amari Cooper, Mark Barron, Dont'a Hightower, and Heisman Trophy winners Mark Ingram Jr. and Derrick Henry. They and so many other remarkable players and coaches are highlighted in *Miracle Moments in Alabama Crimson Tide Football History*, a must have for all 'Bama football fans.

JAIL BLAZERS

How Rasheed Wallace, Bonzi Wells, JR Rider, and the Portland Trail Blazers Became the Bad Boys of Basketball

- Targeted marketing to regional fan groups and sponsors
- Co-op available

The story of a troubled, yet successful basketball team that tore a city apart.

In the late '90s and early 2000s, the Portland Trail Blazers were one of the hottest teams in the NBA. For almost a decade, they won 60 percent of their games while making it to the Western Conference Finals twice. However, what they were able to accomplish on the court is less remarkable than what they did off the court.

When someone asked Blazers general manager Bob Whitsitt about his team's chemistry, he replied that he'd "never studied chemistry in college." And with that, the "Jail Blazers" were born. Built in a similar fashion to a fantasy team, the team had skills, but their issues ended up being their undoing. In fact, many consider it the darkest period in franchise history.

While fans across the country were watching the skills of Damon Stoudamire, Rasheed Wallace, and Zach Randolph, those in Portland couldn't have been more disappointed in the players' off-court actions. This, many have mentioned, included a very racial element—which carried over to the players as well.

While people think of the Detroit Pistons of the eighties as the elite "Bad Boys," the "Jail Blazers" were *actually* bad. Author Kerry Eggers, who covered the Trail Blazers during this controversial era, goes back to share the stories from the players, coaches, management, and those in Portland when the players were in the headlines as much for their play as for their legal issues.

KERRY EGGERS is a sportswriter who has covered Portland sports for more than forty years, writing for the *Portland Tribune* since its inception in 2001. He is a five-time winner of the Oregon Sports-writer of the Year Award and has covered major sporting events throughout his career, including the Summer Olympics, Super Bowl, World Series, and NBA Finals to name a few. He is the author of six books, including *Blazers Profiles*, *Clyde the Glide*, and *The Civil War Rivalry: Oregon vs. Oregon State*.

The number-one book about the number-one upset in football history—the saga of Super Joe and the Jets' finest hour.

Countdown to *Super Bowl* tells the whole story of the game of the century, written by the man who followed every movement of the Jets from the first kick-off of the season, who lived, breathed, and agonized with them for the ten nerve-tingling days before the Colts went down to defeat in the Super Bowl. Here, by Dave Anderson of the *New York Times*, is the play-by-play, moment-by-moment saga of how Super Joe and the Jets made good Namath's boast that they would humble the NFL and vanquish the invincible Colts.

This book provides all the color, the action, and the behind-the-scenes drama of the greatest upset in football history.

In celebration of the fiftieth anniversary of that miraculous New York Jets Super Bowl win, fans can relive the stories and moments that led up to that victory.

DAVE ANDERSON joined the *New York Times* in 1966 after working at the *New York Journal-American* and the *Brooklyn Eagle*. He became a Sports of The Times columnist in 1971 and won a Pulitzer Prize for distinguished commentary in 1981. Among many other honors, he was inducted into the National Sports Writers and Sportscasters Hall of Fame in 1990 and in 1991 received the Red Smith Award for contributions to sports journalism from the Associated Press Sports Editors.

“Superb . . . cinematic . . . the best of the new books inspired by the Jets’ victory over the Colts, a game that provided rich symbolism for the victories of a new league and of a controversial quarterback.” —*The New York Times*

BOISE STATE OF MIND

The Emergence of College Football's Grittiest Underdog

- Targeted marketing to regional fan groups and sponsors
- Co-op available

How a small school from Idaho put themselves on the map.

While the city of Boise in Idaho has a population of approximately 223,000 people, the state, in general, is not a sports powerhouse. The closest NFL team is the Seattle Seahawks, who are a 7.5-hour drive away. There are currently only six players in the NFL that were born in Idaho. So how did Boise State, known mostly for its blue turf, become known for football excellence?

After decades of under-the-radar success, the Broncos became a household name during the 2006-07 NCAA football season. That was when the 12-0 Broncos were set to face the 11-2 Oklahoma Sooners in the Fiesta Bowl. A David vs. Goliath event, everyone expected the Sooners, who played in the highly competitive Big 12 conference and had dominated since coach Bob Stoops took over in 1999, to beat the no-names from the Western Athletic Conference. The match-up would end up becoming one of the greatest college football games ever played, with Boise State beating Oklahoma, 43-42, on a trick-play two-point conversion to win in overtime.

But where did it all start? How did a school in Idaho become one of the most successful and polarizing schools in the country? In *Boise State of Mind*, writer Joel Gunderson tells the story of how the school went from a junior college to Division I, climbing the ranks and building a program that has the highest winning percentage in the country since 2000.

With in-depth interviews with current and former players, coaches, and administration, Gunderson offers an entertaining story of the growth of a program that rose from anonymity to become arguably the most successful underdog in the country.

JOEL GUNDERSON is a freelance writer whose work has appeared on NBC Sports Northwest, the Cauldron at *Sports Illustrated*, and the Pac-12 Network. He is a former finalist for the ONPA Sports Feature of the Year Award. Joel currently lives in Portland, Oregon, with his wife and three kids.

So You Think You're a Cleveland Browns Fan?

\$14.99 paperback

A unique perspective on the legend of Paul Brown and the rivalry between the Cleveland Browns and Cincinnati Bengals!

Paul Brown was the father of two stalwart franchises in the NFL—the Cleveland Browns, who carry his own name, and the Cincinnati Bengals. He was a renowned coach and owner, and when he passed on August 5, 1991, the league lost a giant. But for the Browns and Bengals, his death would herald a new era, of bad luck and poor judgment, that had people talking about a curse.

This book charts how the Browns and Bengals franchises are connected in ways that even their die-hard fans might not realize. It documents the Paul Brown and Art Modell feud beyond the bad blood, including the coaches shared and same draft picks lusted over. It touches upon the Bengals' role in the Browns' relocation, how the Browns played a role in the Bengals' new stadium deal, and how the Bengals actually almost became the new Browns.

Paul Brown's Ghost takes a look at the legend of the man, as well as a fun look at one of the great rivalries in the NFL between two hard-luck teams.

JONATHAN KNIGHT is the author of ten books on Cleveland sports. Called "one of the most articulate and devoted sportswriters in Ohio" by the *Akron Beacon Journal*, Knight has been praised by the *Plain Dealer*, *Cleveland Magazine*, and ESPN's Grantland.com. The story of a potential star and his post-career struggles with substance abuse.

Marvin “Bad News” Barnes was considered a future Hall of Fame basketball player before he even graduated from college. A standout at Providence College, he was an All-American with the world at his fingertips.

Although Barnes enjoyed two highly successful years in the American Basketball Association with the Spirits of St. Louis (winning Rookie of the Year honors and twice being named an All-Star), his career fizzled in the NBA as he wore out his welcome with the Detroit Pistons, Buffalo Braves, Boston Celtics, and San Diego Clippers over four years. His immaturity, as well as a chronic losing battle with drugs and alcohol, turned a potential superstar into a has-been by 1979. By then, his swagger was gone. So too was his game.

Written by Mike Carey, who opened his house to Barnes later in his life, this is the story of a supremely gifted athlete whose self-destructive nature led him on a downward spiral. On September 8, 2014, Barnes finally hit rock bottom, passing away due to acute cocaine and heroin intoxication. He was sixty-two years old.

With stories and quotes from Julius Erving, Bill Walton, Larry Brown, Mike D’Antoni, and many others, as well as a foreword from former Spirits announcer Bob Costas, “*Bad News*” is the story of a squandered talent who could never defeat his inner demons.

MIKE CAREY worked nineteen years at the *Boston Herald*, serving as news editor, then sports editor, and finally as Celtics beat writer during the Larry Bird era. He wrote the annual NBA draft preview for *The Sporting News*, was a regular contributor to *Basketball Digest* and *Hoop Magazine*, and is the author of *Boston Celtics: Where Have You Gone?*

BOB COSTAS is a longtime broadcaster who has covered every major American sporting event throughout his career. His first job out of college was as the play-by-play man for the Spirits of St. Louis of the American Basketball Association (ABA), where he first met Marvin Barnes. In 2012, Costas was inducted into the National Sportscasters and Sportswriters Association Hall of Fame.

THE BOSTON CELTICS

Larry Bird, Bob Cousy, Red Auerbach, and Other Legends Recall Great Moments in Celtics History

- Targeted marketing to regional fan groups and sponsors
- Co-op available

Celtics history as remembered by its greatest players and famous fans.

Since the team's inception in 1946, the Boston Celtics have been at the heart of the culture and history of the city they call home. And as Boston has transformed over the years, the Celtics too have evolved to reflect and embrace the changing times. In a book like no other, veteran writer and lifelong Celtics fan Michael McClellan brings Celtics history to life through exclusive interviews with legendary Celtics players and celebrity supporters, while using pop culture and music as a soundtrack.

More than thirty interviewees are featured in this iconic book. Hall-of-Famer Bob Cousy recalls the turmoil of the fifties. K. C. Jones and Clyde Lovellette narrate the glory of the Bill Russell era, as Russell himself remembers his time as a Celtic. Celebrated players John Havlicek and Dave Cowens relate the ups and downs of the psychedelic seventies. The epic eighties Celtics-Lakers rivalry and the leadership of legends Larry Bird and Magic Johnson is told by teammates Robert Parish, Dennis Johnson, and Nate Archibald, and rivals Julius Erving and Kareem Abdul-Jabbar. Former Celtics honor the legacy of Reggie Lewis and relay the dark days after his untimely passing in 1993, and the revival of the Celtics under the guidance of Paul Pierce and Brad Stevens in the 2000s.

Also featuring interviews by notable Boston natives such as Michael Dukakis and Mark Wahlberg, *The Boston Celtics* is the ultimate history of one of the NBA's greatest franchises.

MICHAEL D. MCCLELLAN is a lifelong Celtics fan and cofounder of the wildly popular blog Celtic-Nation.com. He is also the author of *Boston Celtics: Where Have You Gone?*. He lives in Charleston, West Virginia.

WAYNE FEDERMAN is a comedian, actor, and writer. He served as the head writer for the first season of *The Late Show with Jimmy Fallon*, and the coauthor of *Maravich*, the authorized biography of the late Pete Maravich. He lives in Los Angeles, California.

The details behind the most impactful injuries and tragedies in sports history!

What do players across such different sports such as Buster Posey, Tom Brady, and Tiger Woods have in common? Their injuries have shaped the world of sports and how sports medicine is approached. When you hear stories of Kobe traveling abroad to receive blood platelet injections, or Olympians using low-oxygen training masks, or how an NFL player bounced back from an ACL or MCL tear, these techniques were all developed by surgeons who had to fix the broken athletes who came to them.

Jonathan Gelber has compiled a list of the most impactful injuries in *Tommy John's Elbow and Tiger Woods's Back: Injuries and Tragedies That Transformed Careers, Sports, and Society* and the ripple effect they have had in how modern sports are played today. Whether it is through surgeries or rule changes, the game has had to evolve with every gruesome injury or, in some cases, even death.

Among the athletes featured in this book are:

- Tommy John and how the surgery that came about in his name changed the game of baseball
- Yao Ming, Bill Walton, and other NBA stars, and how foot injuries affected their careers
- Dale Earnhardt and how his devastating crash led to new rules and safety concerns for NASCAR
- And many more!

JONATHAN GELBER, MD, MS, is an orthopedic surgeon. In 2017, Dr. Gelber joined Elite Sports Medicine as an attending physician at both Connecticut Children's Medical Center and the University of Connecticut. He completed a master's degree in biomedical engineering at Columbia University and graduated from the Mount Sinai School of Medicine. He then went on to complete an Orthopedic Surgery residency at Harbor-UCLA and fellowship training in sports medicine at the Cleveland Clinic. “A must read for Syracuse basketball fans. Thumbs up.” —Dick Vitale, basketball commentator, ESPN

For more than forty seasons, Jim Boeheim has been one of college basketball’s most successful and compelling figures with the second-most victories of all time behind only Mike Krzyzewski. The Hall of Fame coach has led the Syracuse Orange to five Final Fours, including a memorable national championship in 2003. In *Jim Boeheim and Syracuse Basketball: In the Zone*, Donald Staffo examines the career of the storied SU basketball coach and the elite program that he built.

Boeheim’s accomplishments as well as his considerable charitable work cannot be denied, nor can the sanctions that occurred under his watch. Both sides are covered in depth—the highs and lows that have made Boeheim a legend and Syracuse a basketball power. After taking over the program in 1977, a decade after his own playing career at the school, Boeheim transformed it into a national power behind such stars as Roosevelt Bouie, Pearl Washington, Sherman Douglas, Rony Seikaly, Derrick Coleman, Carmelo Anthony, and C. J. Fair. Staffo brings to life the wild environment in the old Manley Field House and a packed Carrier Dome. All the unforgettable moments are highlighted, including the 2003 championship win over Kansas, the epic six-overtime classic over UConn in the 2009 Big East Tournament, and the surprising run to the 2016 Final Four. It also analyzes Boeheim from a point-counterpoint standpoint as well as the image of the Syracuse basketball program compared to other hoop powers. *Jim Boeheim and Syracuse Basketball* is a revealing look at a basketball legend.

DONALD STAFFO is the author of ten books and more than 2,100 articles published in a wide variety of national and regional magazines and newspapers. He covered Alabama football and basketball for thirty years for the Associated Press and other publications and lives in Tuscaloosa.

“Reviews Comiskey’s entire career and restores his reputation to its former state, with clear eye, fair mind, and thorough study.” —John Thorn, official historian of Major League Baseball and author of *Baseball in the Garden of Eden*

Charles Albert “The Old Roman” Comiskey was a larger-than-life figure—a man who had precision in his speech and who could work a room with handshakes and smiles. While he has been vilified in film as a rotund cheap skate and the driving force, albeit unknowingly, behind the actions of the 1919 White Sox, who threw the World Series (nicknamed the “Black Sox” scandal), that statement is far from the truth.

In his five decades involved in baseball, Comiskey loved the sport through and through. It was his passion, his lifeblood, and—once he was able to combine his love for the game with his managerial skills—the complete package for him. He brought the White Sox to Chicago in 1900 and was a major influential force in running the American League from its inception.

Through rigorous research, Tim Hornbaker not only tells the full story of Comiskey’s incredible life and the sport at the time, but also debunks the “Black Sox” controversy, showing that Comiskey was *not* the reason that the Sox threw the 1919 World Series.

TIM HORNBAKER is a lifelong sports historian and enthusiast who attended his first baseball game at the old Comiskey Park in 1981. His books *War on the Basepaths* and *Fall From Grace* were received with critical acclaim, the latter being a finalist for the SABR Ritter Award. He lives in South Florida with his wife, Jodi.

BOB HOIE is a baseball historian and member of SABR (Society for American Baseball Research). He has appeared in two documentaries on the Black Sox produced by ESPN (2001, 2005), and another by the MLB Network (2010). His article “1919 Baseball Salaries and the Mythically Underpaid Chicago White Sox” was a finalist for the 2013 SABR Analytics Research Award. Hoie resides in San Marino, California.

"Indians fans will enjoy this retelling of a modern turnaround story. By opening a new ballpark and locking up young talent, the Indians provided the rest of baseball with a new blueprint of rebuilding." —Tom Verducci, senior writer for *Sports Illustrated* and MLB Network analyst

For almost fifty years, the Cleveland Indians were a joke. They had won the 1948 World Series with one of the greatest teams of all time but had not been to the playoffs since 1954 (losing to the New York Giants in the World Series). Even the Major League movies poked fun at their inadequacy. That all changed in the 1990s, when the Indians became one of the most dominant teams of the decade.

With interviews from Jim Thome, Omar Vizquel, Mike Hargrove, John Hart, and many more, *A Tribe Reborn* is a fantastic look inside how a losing franchise changed its ways to become a perennial powerhouse. While the Indians of the '90s never won a World Series (appearing twice in 1995 and 1997), they are still remembered for their hard play, amazing talent, and rabid fan base.

Updated through the Indians' recent success, *A Tribe Reborn* details the steps the franchise has taken to be competitive in today's game and bring joy to a once-dragging organization and fan base.

GEORGE CHRISTIAN PAPPAS works in baseball operations with the Tampa Bay Rays and has contributed to many media outlets, including the *St. Petersburg Times* and CBS Sports. Pappas has covered and worked in baseball for the New York Yankees (baseball operations) and ESPN Radio (writer and analyst). He currently resides in Clearwater, Florida.

HENRY J. "HANK" PETERS is a former Major League Baseball executive whose career spanned five decades. He was named MLB Executive of the Year by the *Sporting News* in 1983. As president of the Cleveland Indians, he was considered the architect of the club's on-field renaissance. Peters lives in Florida.
