DON SHULA
A Biography of the Winningest Coach in NFL History

A revealing look at one of pro football’s most legendary figures!

In Don Shula: A Biography of the Winningest Coach in NFL History, acclaimed sports historian Carlo DeVito captures the story of one of the greatest coaches in sports history. First distinguishing himself as a player with the Cleveland Browns (under the great Paul Brown), Baltimore Colts, and Washington Redskins, Donald Francis Shula went on to be the boy wonder of the NFL as a coach. After serving for three seasons as the defensive coordinator for the Detroit Lions, where he oversaw one of the NFL’s toughest units, Shula was named the youngest head coach in NFL history when he took over the Baltimore Colts in 1963. But after public feuding with star quarterback Johnny Unitas and owner Carroll Rosenbloom, and despite leading the team to two NFL championship games, Shula accepted the job as head coach of the perennial doormat Miami Dolphins in 1970.

Within a few seasons, he took the Dolphins to three straight Super Bowls, winning twice, including the only undefeated Super Bowl championship season in 1972 behind a bruising running attack led by two 1,000 yard rushers, Larry Csonka and Mercury Morris, as well as the unheralded “No-Name Defense.” Shula won more games (328) than any other coach in NFL history, led his teams to six Super Bowls, and only posted a losing record twice in thirty-three seasons on the sideline. He was enshrined in the Pro Football Hall of Fame in 1997. Don Shula chronicles the life of one of the greatest minds ever to be involved with the game, from the dawn of modern football to the close of the twentieth century.

Carlo DeVito is the author of more than fifteen books, including D. Wayne: The High-Rolling and Fast Times of America’s Premiere Horse Trainer; Wellington: The Maras, the Giants, and the City of New York; and Yogi: The Life and Times of an American Original. He is co-owner of the Hudson-Chatham Winery and resides in Ghent, New York.

SEPTEMBER
In 1979, San Francisco was in turmoil attempting to recover from the assassination of two of its leaders: Mayor George Moscone and Supervisor Harvey Milk. The troubled city was in need of an emotional boost to restore their pride. But as the year drew to a sad close, the city’s professional football team, the 49ers, endured its second straight 2–14 season and it, too, was in deep despair. Critics jumped on Eddie DeBartolo Jr., the new owner, along with rookie head coach Bill Walsh.

Yet, there were promising signs that the 49ers were headed into a new era. The losses were closer. The player draft included an exciting quarterback named Joe Montana. The favorable signs proved prophetic. Over the next decade, the 49ers created a dynasty that was as unique as it was unexpected, winning four Super Bowls. The heroes were Walsh, the coach of speed and detail and long working hours, and Montana, who proved to be the perfect fit for Walsh’s fast-paced West Coast offense. In When the 49ers Were Kings, award-winning football writer Gordon Forbes examines how Walsh and DeBartolo assembled one of the greatest teams in pro football history featuring a legendary cast including Montana, Jerry Rice, and Ronnie Lott and unforgettable moments such as Dwight Clark and “The Catch,” a key goal-line stand in their first Super Bowl victory, and the last-minute drive capped by John Taylor’s Super Bowl-winning touchdown in Walsh’s final game.

It was a special time in a very special city when Walsh and DeBartolo made the 49ers kings of San Francisco.

Gordon Forbes is one of the most prolific sports writers today. In his thirty-five-year career he has covered more than nine hundred games, including thirty-nine Super Bowls. He spent two decades as the pro football editor at USA Today. In 1988, he was a recipient of the Prop Football Hall of Fame’s Dick McCann Memorial Award. He lives in Lakewood, New Jersey, with his cockapoo, Smarty Jones.
The history of the top moments in UCLA football!

The history of UCLA football is a continuous story of highs and lows, ups and downs. Every year from 1919 through today, UCLA has fielded a team, and though the expectations have changed through the years, the goals have not. The single greatest goal in sports is to win your next game. When a team strings enough wins together, a magical season is born.

In the UCLA Football Encyclopedia, Stueve doesn’t miss a beat in his coverage of all the magical seasons, as well as the not-so-magical seasons, from the inaugural one through 2017. He covers the UCLA coaches, as well as the players who have left a lasting legacy. Along the way, he captures all the details about the wins, the losses, the individual and team records, the assistant coaches, and the players that built the foundation of the program.

The story of UCLA football is often a story of “almost,” and in this book, readers will relive the times UCLA simply refused to settle for “almost.” These tales feature legends Fred Cozens, Red Sanders, Tommy Prothro, Jim Mora, and countless other Bruins stars, past and present. Stueve also recounts the upbringing of Donn Moomaw and that of Maurice Jones-Drew. Complete with dozens of historical photographs, this book is the most extensive book ever written on UCLA football and is a must-read for every UCLA football fan nationwide.

Spencer Stueve attended UCLA and graduated in 2015. He is a lifelong fan of the UCLA Bruins and a former writer for the UCLA Bruins college sports fan blog GoJoeBruin.com. He has also published a book on the rivalry between UCLA and USC football teams titled UCLA vs. USC: A Rivalry of Hate. Spencer Stueve resides in Los Angeles, California.

Miracle Moments in Alabama Crimson Tide Football History

The Turning Points, the Memorable Games, the Incredible Records

Mark Mayfield

Relive the most miraculous moments of the Alabama Crimson Tide!

Alabama’s Crimson Tide has been the most dominant college football team in America for the past decade, winning five national championships and six conference titles. The team, under coach Nick Saban, has won an astounding 90 percent of its games since 2008, and established a dynasty unparalleled in modern college football.

In Miracle Moments in Alabama Crimson Tide Football History, Mark Mayfield chronicles Alabama’s colorful football history dating to when their first team won a scrimmage, 56–0, over a group of Birmingham high school players in 1892. Three decades later, Alabama pulled off a stunning 20–19 upset of West Coast powerhouse Washington in the 1926 Rose Bowl, won its first national championship, and took its place among the elite teams in America with sixteen national titles through eras coached by Wallace Wade, Frank Thomas, the legendary Paul “Bear” Bryant, Gene Stallings, and Nick Saban.

Along the way, some of the best players in the nation have been a part of this extraordinary program—from Don Hutson, Harry Gilmer, Bart Starr, Joe Namath, Ken Stabler, John Hannah, Lee Roy Jordan, Derrick Thomas, and Cornelius Bennett to Julio Jones, Amari Cooper, Mark Barron, Dont’a Hightower, and Heisman Trophy winners Mark Ingram Jr. and Derrick Henry. They and so many other remarkable players and coaches are highlighted in Miracle Moments in Alabama Crimson Tide Football History, a must have for all ‘Bama football fans.

Relive the most miraculous moments of the Notre Dame Fighting Irish!

The Notre Dame Fighting Irish is one of the most celebrated teams in college football. It has the second-most victories of all time, eleven national titles, featured seven Heisman Trophy recipients including Paul Hornung and Tim Brown, and won seventeen bowl games. Its storied tradition is celebrated in *Miracle Moments in Notre Dame Fighting Irish Football History*. Michael R. Steele brings to life many of the Irish’s greatest moments, including their first victory over Michigan in 1909, Knute Rockne’s “Four Horsemen” in the 1920s, the epic scoreless tie with powerful Army in 1946, their incredible comeback led by Joe Montana in the 1979 Cotton Bowl, Lou Holtz’s 1988 national championship team that ended Miami’s thirty-six-game regular-season winning streak in stunning fashion, and much more. All the great players and coaches are highlighted in *Miracle Moments in Notre Dame Fighting Irish Football History*, a must-have for all fans of the blue and gold.

**Michael R. Steele** is a distinguished university professor, emeritus, at Pacific University in Forest Grove, Oregon. He has taught there since 1975 and still serves as an adjunct faculty member. He is a 1967 graduate of Notre Dame and resides in Lake Grove, Oregon.

Miracle Moments in USC Football History

The Turning Points, the Memorable Games, the Incredible Records

Relive the most miraculous moments of the USC Trojans football team!

The USC Trojans football program has been one of the winningest and most recognizable college football teams to ever play the sport.

There have been numerous moments in the history of the Trojans that have proven miraculous, from recruiting day to the gridiron, and from the regular season to bowl games. In Miracle Moments in USC Football History, Dan Weber details the team’s greatest achievements, from winning their first BCS national championship of many in 1928 over the favored Stanford team, to its notable rivalries with Notre Dame and crosstown enemy UCLA, USC’s role in breaking the color barrier in college football, its legendary 1972 championship team, the famous O.J. Simpson 64-yard game-winning run over the top-ranked UCLA Bruins, the arrival of head coach Pete Carroll, the famous Bush Push, Jake Olson’s historic snap in 2017, and much more.

In doing so, Weber highlights the key players and coaches and reveals the high level of excitement that comes with being a USC Trojans fan. Complete with full-color photos, this book makes the perfect gift for young and old fans alike of the USC Trojans football team!

Dan Weber is a former high school football and baseball coach, social studies and English teacher–turned college sports administrator at Northern Kentucky and Xavier Universities before he began a career as a sports writer/editor in Kentucky, Ohio, Pennsylvania, New Jersey, California, and the Chicago/Northwest Indiana area, specializing in college sports. As a sports marketer, he developed the first ever Traveling College Football Hall of Fame for a seventeen-state national tour, then covered both UCLA and USC as a sports editor, columnist, and beat writer in Southern California. He now focuses on USC for USCFootball.com.
The story of a troubled, yet successful basketball team that tore a city apart.

In the late ’90s and early 2000s, the Portland Trail Blazers were one of the hottest teams in the NBA. For almost a decade, they won 60 percent of their games while making it to the Western Conference Finals twice. However, what they were able to accomplish on the court is less remarkable than what they did off the court.

When someone asked Blazers general manager Bob Whitsitt about his team’s chemistry, he replied that he’d “never studied chemistry in college.” And with that, the “Jail Blazers” were born. Built in a similar fashion to a fantasy team, the team had skills, but their issues ended up being their undoing. In fact, many consider it the darkest period in franchise history.

While fans across the country were watching the skills of Damon Stoudamire, Rasheed Wallace, and Zach Randolph, those in Portland couldn’t have been more disappointed in the players’ off-court actions. This, many have mentioned, included a very racial element—which carried over to the players as well.

While people think of the Detroit Pistons of the eighties as the elite “Bad Boys,” the “Jail Blazers” were actually bad. Author Kerry Eggers, who covered the Trail Blazers during this controversial era, goes back to share the stories from the players, coaches, management, and those in Portland when the players were in the headlines as much for their play as for their legal issues.

Kerry Eggers is a sportswriter who has covered Portland sports for more than forty years, writing for the Portland Tribune since its inception in 2001. He is a five-time winner of the Oregon Sportswriter of the Year Award and has covered major sporting events throughout his career, including the Summer Olympics, Super Bowl, World Series, and NBA Finals to name a few. He is the author of six books, including Blazers Profiles, Clyde the Glide, and The Civil War Rivalry: Oregon vs. Oregon State.

COUNTDOWN TO SUPER BOWL

How the 1968–1969 New York Jets Delivered on Joe Namath’s Guarantee to Win It All

The number-one book about the number-one upset in football history—the saga of Super Joe and the Jets’ finest hour.

COUNTdown to Super Bowl tells the whole story of the game of the century, written by the man who followed every movement of the Jets from the first kick-off of the season, who lived, breathed, and agonized with them for the ten nerve-tingling days before the Colts went down to defeat in the Super Bowl. Here, by Dave Anderson of the New York Times, is the play-by-play, moment-by-moment saga of how Super Joe and the Jets made good Namath’s boast that they would humble the NFL and vanquish the invincible Colts.

This book provides all the color, the action, and the behind-the-scenes drama of the greatest upset in football history.

In celebration of the fiftieth anniversary of that miraculous New York Jets Super Bowl win, fans can relive the stories and moments that led up to that victory.

DAVE ANDERSON joined the New York Times in 1966 after working at the New York Journal-American and the Brooklyn Eagle. He became a Sports of The Times columnist in 1971 and won a Pulitzer Prize for distinguished commentary in 1981. Among many other honors, he was inducted into the National Sports Writers and Sportscasters Hall of Fame in 1990 and in 1991 received the Red Smith Award for contributions to sports journalism from the Associated Press Sports Editors.

“Superb . . . cinematic . . . the best of the new books inspired by the Jets’ victory over the Colts, a game that provided rich symbolism for the victories of a new league and of a controversial quarterback.” —The New York Times
While the city of Boise in Idaho has a population of approximately 223,000 people, the state, in general, is not a sports powerhouse. The closest NFL team is the Seattle Seahawks, who are a 7.5-hour drive away. There are currently only six players in the NFL that were born in Idaho. So how did Boise State, known mostly for its blue turf, become known for football excellence?

After decades of under-the-radar success, the Broncos became a household name during the 2006-07 NCAA football season. That was when the 12–0 Broncos were set to face the 11–2 Oklahoma Sooners in the Fiesta Bowl. A David vs. Goliath event, everyone expected the Sooners, who played in the highly competitive Big 12 conference and had dominated since coach Bob Stoops took over in 1999, to beat the no-names from the Western Athletic Conference. The match-up would end up becoming one of the greatest college football games ever played, with Boise State beating Oklahoma, 43–42, on a trick-play two-point conversion to win in overtime.

But where did it all start? How did a school in Idaho become one of the most successful and polarizing schools in the country? In Boise State of Mind, writer Joel Gunderson tells the story of how the school went from a junior college to Division I, climbing the ranks and building a program that has the highest winning percentage in the country since 2000.

With in-depth interviews with current and former players, coaches, and administration, Gunderson offers an entertaining story of the growth of a program that rose from anonymity to become arguably the most successful underdog in the country.

Joel Gunderson is a freelance writer whose work has appeared on NBC Sports Northwest, the Cauldron at Sports Illustrated, and the Pac-12 Network. He is a former finalist for the ONPA Sports Feature of the Year Award. Joel currently lives in Portland, Oregon, with his wife and three kids.

PAUL BROWN’S GHOST
How the Cleveland Browns and Cincinnati Bengals Are Haunted by the Man Who Created Them

A unique perspective on the legend of Paul Brown and the rivalry between the Cleveland Browns and Cincinnati Bengals!

Paul Brown was the father of two stalwart franchises in the NFL—the Cleveland Browns, who carry his own name, and the Cincinnati Bengals. He was a renowned coach and owner, and when he passed on August 5, 1991, the league lost a giant. But for the Browns and Bengals, his death would herald a new era, of bad luck and poor judgment, that had people talking about a curse.

This book charts how the Browns and Bengals franchises are connected in ways that even their die-hard fans might not realize. It documents the Paul Brown and Art Modell feud beyond the bad blood, including the coaches shared and same draft picks lusted over. It touches upon the Bengals’ role in the Browns’ relocation, how the Browns played a role in the Bengals’ new stadium deal, and how the Bengals actually almost became the new Browns.

Paul Brown’s Ghost takes a look at the legend of the man, as well as a fun look at one of the great rivalries in the NFL between two hard-luck teams.

Jonathan Knight is the author of ten books on Cleveland sports. Called “one of the most articulate and devoted sportswriters in Ohio” by the Akron Beacon Journal, Knight has been praised by the Plain Dealer, Cleveland Magazine, and ESPN’s Grantland.com. A native of Dayton, Ohio, and a graduate of Ohio University’s E.W. Scripps School of Journalism, he’s also served as an online columnist for TheClevelandFan.com and Football.com, as well as a contributor for ClevelandBrowns.com and SportsTimeOhio.com. He lives in Columbus, Ohio, with his two sons.

Test your knowledge of Flyers history!

So You Think You’re a Philadelphia Flyers Fan? tests and expands your knowledge of Flyers hockey. Rather than merely posing questions and providing answers, it will give you the details behind each—stories that bring to life players and coaches, games and seasons.

This book is divided into multiple parts, with progressively more difficult questions in each new section. Along the way, you’ll learn more about the great Flyers players and coaches of the past and present, from Bobby Clarke to Bernie Parent, Bill Barber, Fred Shero, Rick MacLeish, Brian Propp, Mike Keenan, Mark Howe, Tim Kerr, Ron Hextall, Éric Desjardins, Jeremy Roenick, Chris Pronger, Eric Lindros, Mark Recchi, Simon Gagne, Wayne Simmonds, and so many more. Some of the many questions that this book answers include:

- What goalie recorded the first shutout in team history?
- Which former Flyers coach later won a Stanley Cup for another team?
- Who scored the very first regular-season overtime goal for the Flyers?
- What opponent went forty-two games without beating the Flyers at the Spectrum?

This book makes the perfect gift for any fan of the Fly Guys!

Skip Clayton hosts Racing Wrap, a weekly one-hour radio show on WBCB Levittown, Pennsylvania, and has covered sports for the ABC Radio Network for more than forty years. Clayton is also the author of So You Think You’re a Philadelphia Eagles Fan? and Philadelphia’s Big Five and coauthor of Tales from the Miami Dolphins Sideline and 50 Phabulous Phillies. He resides in Sellersville, Pennsylvania.

Bill Clement played eleven seasons as a center in the National Hockey League and was a member of the Flyers’ Stanley Cup-winning teams in 1974 and 1975. He is currently a color analyst for NBC Sports Philadelphia.

**“BAD NEWS”**  
The Turbulent Life of Marvin Barnes, Pro Basketball’s Original Renegade

The story of a potential star and his post-career struggles with substance abuse.

Marvin “Bad News” Barnes was considered a future Hall of Fame basketball player before he even graduated from college. A standout at Providence College, he was an All-American with the world at his fingertips.

Although Barnes enjoyed two highly successful years in the American Basketball Association with the Spirits of St. Louis (winning Rookie of the Year honors and twice being named an All-Star), his career fizzled in the NBA as he wore out his welcome with the Detroit Pistons, Buffalo Braves, Boston Celtics, and San Diego Clippers over four years. His immaturity, as well as a chronic losing battle with drugs and alcohol, turned a potential superstar into a has-been by 1979. By then, his swagger was gone. So too was his game.

Written by Mike Carey, who opened his house to Barnes later in his life, this is the story of a supremely gifted athlete whose self-destructive nature led him on a downward spiral. On September 8, 2014, Barnes finally hit rock bottom, passing away due to acute cocaine and heroin intoxication. He was sixty-two years old.

With stories and quotes from Julius Erving, Bill Walton, Larry Brown, Mike D’Antoni, and many others, as well as a foreword from former Spirits announcer Bob Costas, “Bad News” is the story of a squandered talent who could never defeat his inner demons.

**Mike Carey** worked nineteen years at the *Boston Herald*, serving as news editor, then sports editor, and finally as Celtics beat writer during the Larry Bird era. He wrote the annual NBA draft preview for *The Sporting News*, was a regular contributor to *Basketball Digest* and *Hoop Magazine*, and is the author of *Boston Celtics: Where Have You Gone?*

**Bob Costas** is a longtime broadcaster who has covered every major American sporting event throughout his career. His first job out of college was as the play-by-play man for the Spirits of St. Louis of the American Basketball Association (ABA), where he first met Marvin Barnes. In 2012, Costas was inducted into the National Sportscasters and Sportswriters Association Hall of Fame.

THE BOSTON CELTICS
Larry Bird, Bob Cousy, Red Auerbach, and Other Legends Recall Great Moments in Celtics History

Celtics history as remembered by its greatest players and famous fans.

Since the team’s inception in 1946, the Boston Celtics have been at the heart of the culture and history of the city they call home. And as Boston has transformed over the years, the Celtics too have evolved to reflect and embrace the changing times. In a book like no other, veteran writer and lifelong Celtics fan Michael McClellan brings Celtics history to life through exclusive interviews with legendary Celtics players and celebrity supporters, while using pop culture and music as a soundtrack.

More than thirty interviewees are featured in this iconic book. Hall-of-Famer Bob Cousy recalls the turmoil of the fifties. K. C. Jones and Clyde Lovellette narrate the glory of the Bill Russell era, as Russell himself remembers his time as a Celtic. Celebrated players John Havlicek and Dave Cowens relate the ups and downs of the psychedelic seventies. The epic eighties Celtics-Lakers rivalry and the leadership of legends Larry Bird and Magic Johnson is told by teammates Robert Parish, Dennis Johnson, and Nate Archibald, and rivals Julius Erving and Kareem Abdul-Jabbar. Former Celtics honor the legacy of Reggie Lewis and relay the dark days after his untimely passing in 1993, and the revival of the Celtics under the guidance of Paul Pierce and Brad Stevens in the 2000s.

Also featuring interviews by notable Boston natives such as Michael Dukakis and Mark Wahlberg, The Boston Celtics is the ultimate history of one of the NBA’s greatest franchises.

Michael D. McClellan is a lifelong Celtics fan and cofounder of the wildly popular blog Celtic-Nation.com. He is also the author of Boston Celtics: Where Have You Gone?. He lives in Charleston, West Virginia.

Wayne Federman is a comedian, actor, and writer. He served as the head writer for the first season of The Late Show with Jimmy Fallon, and the coauthor of Maravich, the authorized biography of the late Pete Maravich. He lives in Los Angeles, California.

An inside glimpse into the first twenty years of the Nashville Predators’ history!

In 1998, the Predators joined the NHL as an expansion team, marking the start of what’s been a wild ride ever since!

Tales from the Nashville Predators Locker Room covers all the stories, from the adventures around the inaugural season, to Nashville’s storied rivalry against the Detroit Red Wings, road reports from players competing abroad during the 2004 lockout, the heartbreak of the 2010 playoff loss to the Chicago Blackhawks, the jubilation of winning a playoff series in 2011, the Matt Duchene offside goal controversy in 2013 that in turn helped to prompt official reviews, the art of the trade and how General Manager David Poile has helped land some of the biggest superstars on the roster, and of course the 2017 Stanley Cup Finals.

In this insider’s account, the Predators’ greatest players and coaches—past and present—come to life. From P.K. Subban and Shea Weber, to Jason Arnott, Pekka Rinne, Filip Forsberg, Mike Fisher, and everyone in between, Fox Sports Tennessee correspondent Kristopher Martel covers it all.

The perfect gift for any fan of Nashville hockey!

Kristopher Martel covers the Nashville Predators for Fox Sports Tennessee. His love of sports started at an early age and continues to grow, all while spreading that same passion to those who will listen. Kristopher resides outside of Nashville with his wife and four wonderful children.

INcredible Baseball Trivia
More Than 200 Hardball Questions for the Thinking Fan

Test your knowledge of baseball history!

Incredible Baseball Trivia is a totally unique book that will spur fans toward becoming experts not only at answering challenging questions but also at constructing them. Match wits with the father of baseball trivia, David Nemec, a ten-time national baseball trivia champion, as he presents more than 200 baseball stumpers artfully designed to test the depth of the reader’s knowledge about the game since 1871, including:

- Who is the most recent major leaguer to compile 100 or more hits, 20 or more complete games, and 20 or more decisions in the same season? No, the answer is not who you think!
- Who is the only pitcher to hurl a minimum of 5,000 career innings and surrender fewer hits per 9 innings than Walter Johnson?
- What team had a record of 52–62 when the strike shut down the 1994 season but was on track to qualify for postseason play with the lowest winning percentage ever by a division or league first-place finisher?

Every era of baseball history is represented from Cap Anson to Mike Trout, Cy Young to Clayton Kershaw, Ty Cobb to José Altuve, Babe Ruth to Giancarlo Stanton.

Incredible Baseball Trivia is the ultimate test for knowledgeable baseball fans!

TOMMY JOHN’S ELBOW AND TIGER WOODS’S BACK
Injuries and Tragedies That Transformed Careers, Sports, and Society

The details behind the most impactful injuries and tragedies in sports history!

What do players across such different sports such as Buster Posey, Tom Brady, and Tiger Woods have in common? Their injuries have shaped the world of sports and how sports medicine is approached. When you hear stories of Kobe traveling abroad to receive blood platelet injections, or Olympians using low-oxygen training masks, or how an NFL player bounced back from an ACL or MCL tear, these techniques were all developed by surgeons who had to fix the broken athletes who came to them.

Jonathan Gelber has compiled a list of the most impactful injuries in *Tommy John’s Elbow and Tiger Woods’s Back: Injuries and Tragedies That Transformed Careers, Sports, and Society* and the ripple effect they have had in how modern sports are played today. Whether it is through surgeries or rule changes, the game has had to evolve with every gruesome injury or, in some cases, even death.

Among the athletes featured in this book are:

- Tommy John and how the surgery that came about in his name changed the game of baseball
- Yao Ming, Bill Walton, and other NBA stars, and how foot injuries affected their careers
- Dale Earnhardt and how his devastating crash led to new rules and safety concerns for NASCAR
- And many more!

Jonathan Gelber, MD, MS, is an orthopedic surgeon. In 2017, Dr. Gelber joined Elite Sports Medicine as an attending physician at both Connecticut Children’s Medical Center and the University of Connecticut. He completed a master’s degree in biomedical engineering at Columbia University and graduated from the Mount Sinai School of Medicine. He then went on to complete an Orthopedic Surgery residency at Harbor-UCLA and fellowship training in sports medicine at the Cleveland Clinic. Dr. Gelber is the author of *The Ultimate Guide to Preventing and Treating MMA Injuries*. He is also the founder of FightMedicine.net and the Mixed Martial Arts Research Society (MMARS). Dr. Gelber resides in New York City.

JIM BOEHEIM AND SYRACUSE BASKETBALL
In the Zone

“A must read for Syracuse basketball fans. Thumbs up.” —Dick Vitale, basketball commentator, ESPN

For more than forty seasons, Jim Boeheim has been one of college basketball’s most successful and compelling figures with the second-most victories of all time behind only Mike Krzyzewski. The Hall of Fame coach has led the Syracuse Orange to five Final Fours, including a memorable national championship in 2003. In Jim Boeheim and Syracuse Basketball: In the Zone, Donald Staffo examines the career of the storied SU basketball coach and the elite program that he built.

Boeheim’s accomplishments as well as his considerable charitable work cannot be denied, nor can the sanctions that occurred under his watch. Both sides are covered in depth—the highs and lows that have made Boeheim a legend and Syracuse a basketball power. After taking over the program in 1977, a decade after his own playing career at the school, Boeheim transformed it into a national power behind such stars as Roosevelt Bouie, Pearl Washington, Sherman Douglas, Rony Seikaly, Derrick Coleman, Carmelo Anthony, and C. J. Fair. Staffo brings to life the wild environment in the old Manley Field House and a packed Carrier Dome. All the unforgettable moments are highlighted, including the 2003 championship win over Kansas, the epic six-overtime classic over UConn in the 2009 Big East Tournament, and the surprising run to the 2016 Final Four. It also analyzes Boeheim from a point-counterpoint standpoint as well as the image of the Syracuse basketball program compared to other hoop powers. Jim Boeheim and Syracuse Basketball is a revealing look at a basketball legend.

Donald Staffo is the author of ten books and more than 2,100 articles published in a wide variety of national and regional magazines and newspapers. He covered Alabama football and basketball for thirty years for the Associated Press and other publications and lives in Tuscaloosa.
THE BASEBALL MANIAC’S ALMANAC, 5TH EDITION

The Absolutely, Positively, and Without Question Greatest Book of Facts, Figures, and Astonishing Lists Ever Compiled

“Being a baseball maniac is a condition which cannot be cured—it can only be treated. So take two chapters of Bert Sugar’s book, and then call him in the morning.” —Bob Costas

An addictive read that is sure to spark conversation wherever baseball is spoken, this updated edition of The Baseball Maniac’s Almanac is part reference, part trivia, part brain teaser, and absolutely the most unusual and thorough compendium of baseball stats and facts ever assembled—all verified for accuracy by the Baseball Hall of Fame. In its pages, renowned sportswriter Bert Randolph Sugar presents thousands of fascinating lists, tables, data, and stimulating facts. Inside, you’ll find:

- Highest batting averages not to win batting titles
- Home-run leaders by state of birth
- Most triples by position, season
- Career pitching leaders under six feet tall
- Managers replaced while team was in first place
- Hall of Famers whose sons played in the majors
- Players with palindromic surnames
- And so much more!

Not just a collection of facts or records, this is a book of glorious fun that will astound even the most bookish baseball fan. Read up and amaze your friends!

Bert Randolph Sugar established himself as one of the world’s foremost sports historians. He was the editor in chief of The Ring and Fight Game magazines and the author of more than eighty books, with more than a dozen on baseball. Sugar passed away in 2012.

Ken Samelson is an editor and author of several sports books, including The Great All-Time Baseball Record Book. He is a former editor of the Macmillan Baseball Encyclopedia and coauthor of Amazing Mets Trivia.

“Most baseball numbers books leave me glazed and dazed. This one, like baseball itself, is wonderful fun. —Roger Kahn, author of The Boys of Summer

TURNING THE BLACK SOX WHITE  
The Misunderstood Legacy of Charles A. Comiskey

“Reviews Comiskey’s entire career and restores his reputation to its former state, with clear eye, fair mind, and thorough study.” —John Thorn, official historian of Major League Baseball and author of Baseball in the Garden of Eden

Charles Albert “The Old Roman” Comiskey was a larger-than-life figure—a man who had precision in his speech and who could work a room with handshakes and smiles. While he has been vilified in film as a rotund cheapskate and the driving force, albeit unknowingly, behind the actions of the 1919 White Sox, who threw the World Series (nicknamed the “Black Sox” scandal), that statement is far from the truth.

In his five decades involved in baseball, Comiskey loved the sport through and through. It was his passion, his lifeblood, and—once he was able to combine his love for the game with his managerial skills—the complete package for him. He brought the White Sox to Chicago in 1900 and was a major influential force in running the American League from its inception.

Through rigorous research, Tim Hornbaker not only tells the full story of Comiskey’s incredible life and the sport at the time, but also debunks the “Black Sox” controversy, showing that Comiskey was not the reason that the Sox threw the 1919 World Series.

Tim Hornbaker is a lifelong sports historian and enthusiast who attended his first baseball game at the old Comiskey Park in 1981. His books War on the Basepaths and Fall From Grace were received with critical acclaim, the latter being a finalist for the SABR Ritter Award. He lives in South Florida with his wife, Jodi.

Bob Hoie is a baseball historian and member of SABR (Society for American Baseball Research). He has appeared in two documentaries on the Black Sox produced by ESPN (2001, 2005), and another by the MLB Network (2010). His article “1919 Baseball Salaries and the Mythically Underpaid Chicago White Sox” was a finalist for the 2013 SABR Analytics Research Award. Hoie resides in San Marino, California.
A TRIBE REBORN
How the Cleveland Indians of the ’90s Went from Cellar Dwellers to Playoff Contenders

For almost fifty years, the Cleveland Indians were a joke. They had won the 1948 World Series with one of the greatest teams of all time but had not been to the playoffs since 1954 (losing to the New York Giants in the World Series). Even the Major League movies poked fun at their inadequacy. That all changed in the 1990s, when the Indians became one of the most dominant teams of the decade.

With interviews from Jim Thome, Omar Vizquel, Mike Hargrove, John Hart, and many more, A Tribe Reborn is a fantastic look inside how a losing franchise changed its ways to become a perennial powerhouse. While the Indians of the ’90s never won a World Series (appearing twice in 1995 and 1997), they are still remembered for their hard play, amazing talent, and rabid fan base.

Updated through the Indians’ recent success, A Tribe Reborn details the steps the franchise has taken to be competitive in today’s game and bring joy to a once-dragging organization and fan base.

George Christian Pappas works in baseball operations with the Tampa Bay Rays and has contributed to many media outlets, including the St. Petersburg Times and CBS Sports. Pappas has covered and worked in baseball for the New York Yankees (baseball operations) and ESPN Radio (writer and analyst). He currently resides in Clearwater, Florida.

Henry J. “Hank” Peters is a former Major League Baseball executive whose career spanned five decades. He was named MLB Executive of the Year by the Sporting News in 1983. As president of the Cleveland Indians, he was considered the architect of the club’s on-field renaissance. Peters lives in Florida.

“Indians fans will enjoy this retelling of a modern turnaround story. By opening a new ballpark and locking up young talent, the Indians provided the rest of baseball with a new blueprint of rebuilding.” —Tom Verducci, senior writer for Sports Illustrated and MLB Network analyst
