BASEBALL ITALIAN STYLE

Great Stories Told by Italian American Major Leaguers from Crosetti to Piazza

- Advance Reading Copies available
- Targeted marketing to baseball fans
- Co-op available

First-person accounts of baseball history from more than forty Italian American major leaguers.

Baseball *Italian Style* brings together the memories of major leaguers of Italian heritage whose collective careers span almost a century, from the 1930s up to today. In these first-person accounts, baseball fans will meet at an intimate level the players they cheered as heroes or jeered as adversaries, as well as coaches, managers, front-office executives, and umpires. The men who speak in this collection, which includes eight Hall of Famers (Yogi Berra, Phil Rizzuto, Ron Santo, Craig Biggio, Mike Piazza, Tom Lasorda, Tony La Russa, and Joe Torre) go beyond facts and figures to provide an inside look at life in the big leagues. Their stories provide a time capsule that documents not only the evolution of Italian American participation in the national pastime but also the continuity of the game and the many changes that have taken place, on and off the field. At a time when statistical analysis plays an increasingly prominent role in the sport, the monologues in this book are a reminder that the history of baseball is passed on to future generations more eloquently, and with much greater passion, through the words of those who lived it than it is by numerical data.

LAWRENCE BALDASSARO, professor emeritus of Italian at the University of Wisconsin-Milwaukee, is the author of *Beyond DiMaggio: Italian Americans in Baseball*, editor of *Ted Williams: Reflections on a Splendid Life*, and coeditor of *The American Game: Baseball and Ethnicity*. He has published articles in numerous sports encyclopedias and journals, has been a contributing writer for the Milwaukee Brewers' *Gameday* magazine since 1990, and wrote the chapter on sports for *The Routledge History of Italian Americans*. He resides in Milwaukee, Wisconsin.

MARCH

The previously untold story of the patriarch of one of the first families of hoops.

Arizona. Kentucky. Indiana. It's astounding to think that three elite college basketball programs can trace their success back to one small-town high school coach, Blackhawk High's legendary John Miller.

Coach John Miller was just following his heart's passion and channeling his unbreakable spirit when in the early 1980s he began to use basketball as a platform for developing young players and future leaders. Little could he have known that his two sons, Sean and Archie Miller, and cousin, John Calipari, would grow up to lead historic basketball programs to national prominence. And over his career, he also inspired countless other young players, who would grow up to become doctors, lawyers, and prominent CEOs. At his retirement in 2005, Coach Miller's record stood at 657–280 over his thirty-five-year career, making him one of the winningest coaches in high school basketball history.

Today, Coach Miller's legacy extends from the tiny hamlet of Beaver Falls, Pennsylvania, to some of the most famous sporting venues in America. He is a legend in the sport, praised by greats such as Kobe Bryant, Thad Matta, Bucky Waters, and Jamie Dixon.

DAVID A. BURHENN was born in Beaver Falls, Pennsylvania. Fascinated by the overwhelming success of the Miller family, and especially after witnessing the positive effect that Coach John Miller had on his son, he decided to try to uncover the secret to the coach's success. Burhenn lives with his family in Aliquippa, Pennsylvania.

JOHN CALIPARI is the head coach of men's basketball at the University of Kentucky. He led the Kentucky Wildcats to the 2012 national championship and has been to a total of six Final Fours in his career, including four in a five-year period. He was inducted into the Naismith Memorial Basketball Hall of Fame in 2015. He lives in Lexington, Kentucky.

INSIGHT PITCH

My Life as a Major League Closer

- Advance Reading Copies available
- Targeted marketing to baseball fans
- Co-op available

Get inside the mind of a former professional ballplayer!

You're straddling the pitcher's mound in Shea Stadium. The game rests in your hands. Your heart is pounding. Big money is at stake. You feel thousands of eyes burning your jersey as they wait for a pitch. You gulp at the air trying to settle your nerves. It's go time.

Insight Pitch is a sports story that spills over three decades. Retired Major League Baseball pitcher Skip Lockwood tells anecdotes from throughout his career as a ballplayer, starting with his days as a Little Leaguer through his professional tenure with the Kansas City Athletics, Seattle Pilots, Milwaukee Brewers, California Angels, New York Mets, and Boston Red Sox, before his retirement in 1980. Along the way, he details both the on-and off-the-field shenanigans as well as the enormous psychological process that he underwent each and every time he took the mound.

Readers will find some laughs along the way and marvel as they share the locker room with legends like Jesse Owens, Satchel Paige, Catfish Hunter, and Yogi Berra.

Humorous but insightful, this book makes the perfect addition to any baseball fan's shelf.

SKIP LOCKWOOD enjoyed a professional baseball career from 1965 to 1980, most of which time he spent pitching for the Milwaukee Brewers (1970–73) and the New York Mets (1975–79). Pursuing his longtime interest in game-day visualization and mental preparations, he proceeded to earn a master's degree from Fairfield University and another master's in science from MIT as a Sloan Fellow. In the following years, he continued to study and practice in the field of sport psychology. Today, he makes frequent appearances and delights audiences with humorous behind-the-scenes baseball stories and inspirational messages of how elite athletes excel despite unyielding pressure.

Test your knowledge of Indians history!

So *You Think You're a Cleveland Indians Fan?* tests and expands your knowledge of Indians baseball. Rather than merely posing questions and providing answers, this book will give you the details behind each—stories that bring to life players and managers, games and seasons.

This book is divided into multiple parts, with progressively more difficult questions in each new section. Along the way, you'll learn more about the great Indians players and managers of the past and present, from Nap Lajoie to Tris Speaker, Stan Coveleski, Bob Feller, Lou Boudreau, Bob Lemon, Rocky Colavito, Gaylord Perry, Sandy Alomar, Manny Ramirez, Jim Thome, Francisco Lindor, Corey Kluber, and so many more. The many questions that this book answers include:

- Who was the only Indians player to be named MVP of the All-Star Game?
- Who is the only pitcher in team history to win at least 30 games in a season?
- Which Cleveland Indian player led the team in home runs during the 1960s?
- In 1987, the Indians had two pitchers on their staff who were later enshrined into the Hall of Fame. Who were they?

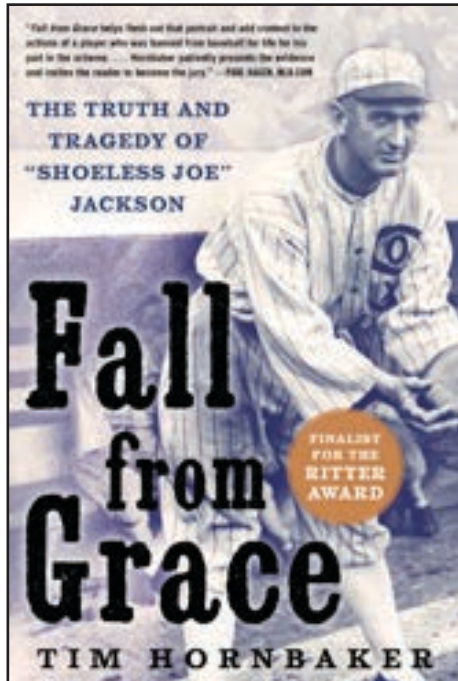

This book makes the perfect gift for any fan of the Tribe!

An in-depth look into the life and times of a baseball icon.

Considered by Ty Cobb as “the finest natural hitter in the history of the game,” “Shoeless Joe” Jackson is ranked with the greatest players to ever step onto a baseball diamond. With a career batting average of .356—which is still ranked third best all time—the man from Pickens County, South Carolina, was on his way to becoming one of the greatest players in the sport’s history. That is, until the “Black Sox” scandal of 1919, which shook baseball to its core.

While many have sympathized with Jackson’s ban from baseball (even though he hit .375 during the 1919 World Series), not much is truly known about this quiet slugger. Whether he participated in the throwing of the World Series or not, he is still considered one of the game’s best, and many have fought for his induction into the National Baseball Hall of Fame.

From the author of *Turning the Black Sox White* (on Charles Comiskey) and *War on the Basepaths* (on Ty Cobb), *Fall from Grace* tells the story of the incredible life of Joseph Jefferson Jackson. From a mill boy to a baseball icon, author Tim Hornbaker breaks down the rise and fall of “Shoeless Joe,” giving an inside look during baseball’s Deadball Era, including Jackson’s personal point of view of the “Black Sox” scandal, which has never been covered before.

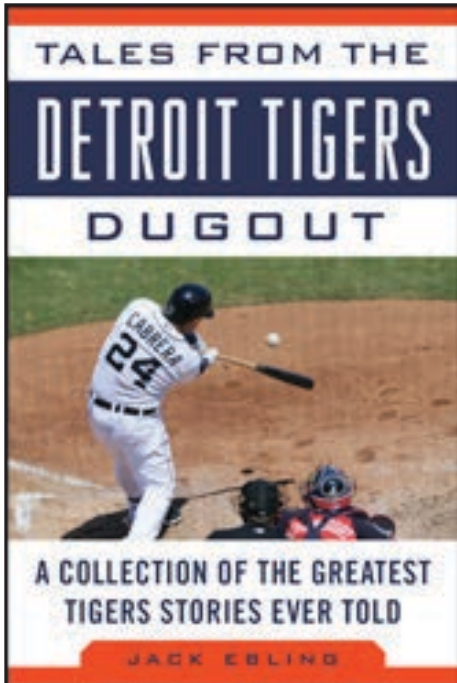

TIM HORNBAKER is a lifelong sports historian and enthusiast. His books *Turning the Black Sox White: The Misunderstood Legacy of Charles A. Comiskey* and *War on the Basepaths: The Definitive Biography of Ty Cobb* were received with critical acclaim.

“*Fall from Grace: The Truth and Tragedy of ‘Shoeless Joe’ Jackson* helps flesh out that portrait and add context to the actions of a player who was banned from baseball for life for his part in the scheme. . . . Hornbaker patiently presents the evidence and invites the reader to become the jury.” —Paul Hagen, MLB.com

THE CLOUDBUSTER NINE

The Untold Story of Ted Williams and the Baseball Team Who Helped Win World War II

- Advance Reading Copies available
- Targeted marketing to baseball fans
- Co-op available

The remarkable story of the best baseball team you never heard of!

In 1943, while the New York Yankees and St. Louis Cardinals were winning pennants and meeting in that year's World Series, one of the nation's strongest baseball teams practiced on a skinned-out college field in the heart of North Carolina. Ted Williams, Johnny Pesky, and Johnny Sain were among a cadre of fighter-pilot cadets who wore the Cloudbuster Nine baseball jersey at an elite Navy training school at the University of North Carolina at Chapel Hill. As a child, Anne Keene's father, Jim Rough, suited up as the team batboy and mascot. He got to know his baseball heroes personally, watching players hit the road on cramped, tin-can buses, dazzling factory workers, kids, and service members at dozens of games, including a war-bond exhibition with Babe Ruth at Yankee Stadium. Jimmy followed his baseball dreams as a college All-American but was crushed later in life by a failed major-league bid with the Detroit Tigers. He would have carried this story to his grave had Anne not discovered his scrapbook from a Navy school that shaped America's greatest heroes, including George H. W. Bush, Gerald Ford, John Glenn, and Paul "Bear" Bryant. With the help of rare images and insights from World War II baseball veterans such as Dr. Bobby Brown and Eddie Robinson, the story of this remarkable team is brought to life for the first time in *The Cloudbuster Nine: The Untold Story of Ted Williams and the Baseball Team Who Helped Win World War II*.

ANNE R. KEENE is an Austin, Texas-based writer who focuses on narrative nonfiction. A graduate of the University of North Carolina at Chapel Hill School of Journalism, she began her professional career working as a speechwriter on Capitol Hill. Today, she earns national awards as a storyteller for corporate clients and has been honored with the Writers' League of Texas nonfiction award. Passionate about historic preservation and athletics, Anne is a member of the Society for American Baseball Research. She is married and has a teenage daughter.

Relive the greatest home runs in Yankees history!

The New York Yankees don't call themselves the "Bronx Bombers" for nothing. And though Babe Ruth did not invent the home run, he did indeed popularize it, and made it seem less vulgar.

The New York Yankees Home Run Almanac presents a month-by-month tally of historic, important, unusual, or titanic home runs, hit mostly by Yankees (or players who hit them at Yankees ballparks). It covers everyone from Ruth to Mickey Mantle, Alex Rodriguez, Joe DiMaggio, Lou Gehrig, Reggie Jackson, Derek Jeter, and many more pinstripe players, past and present, in an easy-to-read format. Some of the many dingers featured include:

- Graig Nettles's home run on Opening Day 1974, when the Yankees called Shea Stadium home
- Jorge Posada's and Bernie Williams's switch-hit home runs during the same game in 2000
- Pitcher Whitey Ford's third and final home run of his career
- And many more!

DOUGLAS B. LYONS is a criminal lawyer and is the author or co-author of several books on baseball. He has spoken about baseball and his research at the National Baseball Hall of Fame, the Smithsonian Institution, and many national and regional meetings of the Society for American Baseball Research, of which he is a member. Lyons lives near New York City.

"I have seen and surrendered many home runs at historic Yankee Stadium. Fascinating to read about so many memorable ones. Doug provides some great memories in this book." —Jim Kaat

Stories of Ted Williams, through the eyes of sportscaster Dick Enberg!

August 30, 2018 marks the 100th birthday of the former Boston Red Sox outfielder and baseball legend. In *Being Ted Williams*, esteemed sportscaster Dick Enberg and *New York Times* bestselling author Tom Clavin offer a series of personal anecdotes that loosely follow Ted's life from his childhood in San Diego, to his fun teenage years playing in the Pacific Coast League, his glorious yet frustrating Red Sox career, his heroic actions as a fighter pilot in two wars (with John Glenn's favorite wingman), and his post-career years leading to his heartrending appearance at age eighty at the 1999 All-Star Game. Though other books have recounted Williams's career, none have done so through the eyes of someone like Enberg, who followed Ted's career as just a young boy, trying to emulate his classic swing, then as a broadcaster, and finally as a friend, when the two men could enjoy numerous get-togethers until Ted's passing in 2002. Enberg and Clavin also weave in personal stories from others who knew and admired Ted, such as Bobby Knight, Senator John McCain, Emily DiMaggio, and many more.

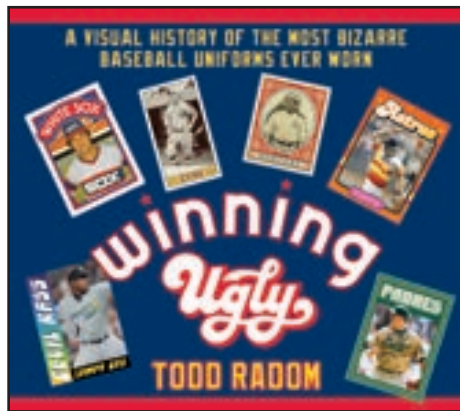

DICK ENBERG, a veteran of sixty years of sports broadcasting and the author of two bestselling books, is the only person to win National Emmy Awards as a sportscaster, writer, and producer. He has been inducted into the National Sports Broadcasting Hall of Fame, National Sportscaster and Sportswriters HOF, and several sports HOFs. Having joined NBC Sports in 1975, Enberg served as the play-by-play voice of a variety of sporting events. In 2000, he joined CBS Sports and ESPN. Enberg was the announcer for the Los Angeles Angels for thirteen seasons, and after seven seasons (2010–2016) he concluded his role as the TV voice of the San Diego Padres on FSSD. Enberg resides with his wife, Barbara, in La Jolla, California.

TOM CLAVIN is an author of nonfiction books who has previously toiled as a newspaper editor, magazine writer, TV and radio commentator, and reporter for the *New York Times*. Four of his books have been *New York Times* bestsellers. Clavin resides in Sag Harbor, New York.

A wonderful collection of the swing-and-misses in baseball uniforms.

Baseball, our national pastime. Every fan has memories of their team's incredible victories and anguishing defeats. We remember the home runs, the walk-off wins, and the moments that will last a lifetime.

We also remember those things which we wish we could forget: the errors, the mental mistakes . . . and the ugly uniforms.

In an ode to those eyesores, Todd Radom has collected and chronicled some of the worst swing-and-misses we've ever seen on the baseball diamond. Remember when the Chicago White Sox thought wearing shorts in 1977 was a good idea? How about when the Baltimore Orioles wore their all-orange jerseys in 1971? Do you remember the 1999 "Turn Ahead the Clock" campaign? Or the most recent all-camo jerseys of San Diego Padres?

Yes, there is much to talk about when it comes to the odd uniform decisions teams have made over the years. But just like there's love out there for French bulldogs or Christmas sweaters, ugly uniforms hold a warm place in the hearts of all baseball fans.

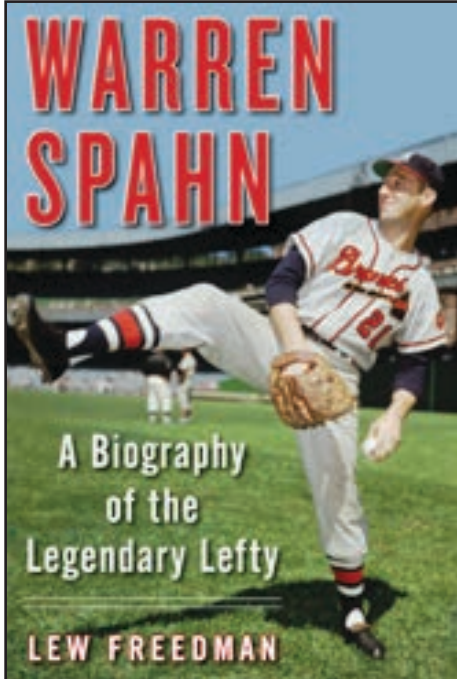

Sure they didn't affect wins and losses (unless you mention Chris Sale), but a fan's love and ire goes well beyond the current standings. So whether your team appears in *Winning Ugly* or not, fans of the sport will enjoy reliving the moments most teams would like to forget.

WARREN SPAHN

A Biography of the Legendary Lefty

- Advance Reading Copies available
- Targeted marketing to baseball fans
- Co-op available

The story of a pitching legend—one who surpassed all odds.

With 363 victories, Warren Spahn is the winningest left-handed pitcher in baseball history. During his twenty-one-year career, Spahn won 20+ games thirteen times, was a 17-time All Star, a Cy Young Award winner, and was elected to the National Baseball Hall of Fame in 1973. In addition, Spahn was a war hero, serving in World War II, and awarded the Purple Heart.

To say Spahn lived a storied life is an understatement.

When Spahn struggled in his major league debut at age twenty, manager Casey Stengel demoted the young lefty. It would be four years before Spahn would return to the diamond, as he received a calling of a different kind—one from his country.

Enlisting in the Army, Spahn would serve with distinction, seeing action in the Battle of the Bulge and the Ludendorff Bridge, and was awarded a battlefield commission along with a Purple Heart.

Upon his return to the game, he would take the league by storm. Spahn dominated for more than two decades, spending twenty years with the Braves (both Boston and Milwaukee), as well as a season with the New York Mets and San Francisco Giants. Pitching into his mid-forties, he would throw two no-hitters at the advanced ages of thirty-nine and forty.

From his early days in Buffalo and young career, through his time in the military, and all the way to the 1948 Braves and “Spahn and Sain and Pray for Rain,” author Lew Freedman leaves no stone unturned in sharing the incredible life of this pitching icon, who is still considered the greatest left-handed pitcher to ever play the game.

LEW FREEDMAN is the author of nearly sixty books on sports, including *Clouds over the Goalpost*, *The Original Six*, and *A Summer to Remember*, and is the winner of more than 250 journalism awards. A veteran sportswriter, Freedman was formerly a staff writer for the *Chicago Tribune* and the *Philadelphia Inquirer*, as well as other papers.

An in-depth look into the early days of baseball and one of its most unexpected organizations.

In 1884, professional baseball was still in its infancy. The National League was less than a decade old, the National Association was now defunct, the American Association was nipping at the NL's heels, and a new league—the Union Association—was in its first year.

With all that going on, a hard-playing, hard-drinking club out of tiny Wilmington, Delaware—the Quicksteps—were so dominating their minor-league opponents that they would receive the opportunity of a lifetime.

At 51–12, the Quicksteps were easily handling the Eastern League. Led by archetypal stars Tommy “Oyster” Burns and Edward “The Only” Nolan, the Quicksteps attacked opponents with a spike-sharpened, rough-and-tumble approach to the game that was only then coming into style, clinching the league title with six weeks left in the season.

The UA's inaugural season wasn't going as well as they had hoped, with four teams folded before the season's conclusion, and the red-hot Quicksteps slated to be promoted to the professional league.

Unfortunately, things did not go as well for Wilmington in the UA as they did in the Eastern League. As the first shots were fired in a near century-long battle for player rights, mass defections and a comedy of on-field error and misfortune resigned the Quicksteps to a virtually unassailable record for baseball futility. In 18 games, the Quicksteps went 2–16, giving them a .111 winning percentage. The UA would fold at seasons' end—as would the Quicksteps.

Loaded with colorful characters, highlight plays, and behind-the-scenes drama, *Once Upon a Team* tells the forgotten true story of a tumultuous and remarkable summer; a team driven and summarily destroyed by its own dream of success.

The first twenty years of New York Yankees history!

The year 2018 marks 115 years since the inception of the New York Yankees—and what a 115-year period it's been! But how did the team that has since won a league-leading 27 world championships get started? In *A Franchise on the Rise*, veteran sportswriter Dom Amore takes readers back in time to the first twenty years of the team's existence, from 1903 to 1923, focusing on all the major players and events, including their first ten years as the Highlanders, the move to Yankee Stadium, and the subsequent first World Series in 1923.

In doing so, Amore successfully finds the characters' own voices and thereby vividly reconstructs events of more than a century ago. He recounts the snowy night Honus Wagner was offered twenty crisp \$1,000 bills to join the new franchise in New York; the story behind the holes punched in the outfield fence that facilitated the stealing of signs in 1909; and why the team thought it may have had the next big superstar in a college football end named George Halas.

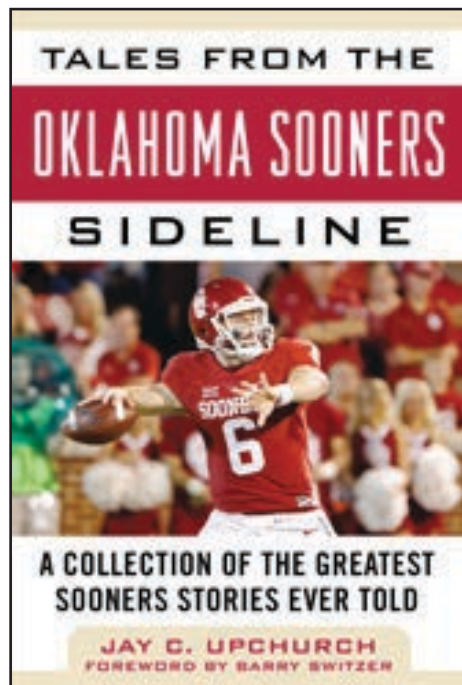

This is a tale about the business of baseball, as it was done at the time and, in many ways, as it still must be done. There was no secret to building a winning organization. It took money and luck, but it also took a group of people working as a team, each allowed to do his job and each doing it superbly.

DOM AMORE is a twenty-year member of the Baseball Writers Association of America who has been writing about sports for Connecticut newspapers since 1982, for the *Hartford Courant* since 1988, covering the Yankees, MLB, and baseball at all levels for much of that time. He has been named the state's Sportswriter of the Year four times by the National Sports Media Association, and has won more than thirty state, local, and national journalism awards. Amore lives in Branford, Connecticut.

AN OCTOBER TO REMEMBER 1968

The Tigers-Cardinals World Series as Told by the Men Who Played in It

- Advance Reading Copies available
- Targeted marketing to baseball fans
- Co-op available

Members of the pennant-winning teams look back on an unforgettable Fall Classic fifty years later!

An *October to Remember 1968: The Tigers-Cardinals World Series as Told by the Men Who Played in It* recalls one of baseball's most celebrated championship series from the voices of the players who still remain—a collected narrative from a bygone era of major-league baseball as they reflect fifty years later.

Modeled after Lawrence S. Ritter's celebrated book, *The Glory of Their Times*—for which the author traversed the country to record stories of baseball's deadball era—*An October to Remember* will likewise preserve the days of baseball past, gathering the memories of the remaining players of the great Tigers and Cardinals teams to assemble their accounts into a vibrant baseball collection.

The 1968 World Series came at a time of great cultural change—the fading days of fans dressing up for ballgames, the first years of widespread color TV—and was an historic matchup of two legendary teams, pitting star power head-to-head and going the distance of seven hard-fought games.

From the voices of the players themselves, *An October to Remember 1968* illustrates in detail what it was like to be a 1968 Tiger, a 1968 Cardinal; what it was like to win it all and to lose it all; what it was like to face Bob Gibson peering in from the mound, Al Kaline digging in at the plate; and what it was like, in the players' own words, to remember the days of that most special period in the history of America's national pastime.

BRENDAN DONLEY is a writer from Oak Park, Illinois, and recent graduate from Columbia University. His work has been featured in the *New York Times*, *Byliner*, *Hobart and Pithead Chapel*, along with the rest of his work housed at *The Big Inning*, an original website for long-form baseball columns.

Relive the greatest moments in Saints football—newly updated!

The New Orleans Saints own a rich history that reflects the unique character of their hometown—always colorful, sometimes sinful, and utterly unpredictable. In recent years, the Saints have shaken off their reputation as the NFL's lovable Fleur de Losers and have risen to become a dangerous gridiron competitor once again.

Primed and ready to achieve the glory that has thus far eluded them, the New Orleans Saints have hundreds of stories to be told, and thousands of moments to share. Now fans will relive all the greatest triumphs and most devastating defeats, and get the inside story from former Saints greats like Mora, Archie Manning, Morten Andersen, Pat Swilling, Drew Brees, and more.

Relive the greatest moments in Browns football—newly updated!

Ohio coaching legend Paul Brown said he wanted to create “the New York Yankees of pro football” when he assembled the Cleveland Browns from scratch in 1946. Despite his ambition, not even the future Hall of Fame coach could have foreseen ten league championship appearances and seven titles in the team’s first ten years. Since their first game, the Cleveland Browns have come to symbolize power, excellence, and gridiron dominance. Now fans of one of the NFL’s most storied teams will recapture all the excitement and glory of Browns football in this newly revised edition of *Tales from the Cleveland Browns Sideline*.

Cleveland native and veteran football writer Tony Grossi recalls the personalities that sowed one of the NFL’s proudest traditions and the characters who have continued to grow it. Fans will discover the unlikely origin of the Marion Motley trap play, the scout’s inside story behind “the mad dog in the meat market,” the insult that launched Brian Sipe’s rise from a thirteenth-round draft pick to the league’s Most Valuable Player, and so much more. From Jim Brown to Bernie Kosar and up through the modern era, this book captures the colorful characters who wore the plain white uniforms and blank orange helmets like never before.

TONY GROSSI was born and raised in Cleveland and has covered the Cleveland Browns and the NFL since 1984. He has earned writing awards on the national, state, and local levels and has been named Ohio Sportswriter of the Year. Since 1994 he has served on the prestigious Board of Selectors for the Pro Football Hall of Fame.
