SUBMISSIONS GUIDELINES

Please email us briefly explaining your idea and enclose an outline and a sample chapter of the proposed book (typed, please) along with sample illustrations, where applicable. For children's books, please submit full manuscripts. **Please do not send attachments over 5mb.**

Be sure to include information about yourself with particular regard to skills and qualifications in the subject area of your submission. It's helpful for us to know your publishing history, so let us know if you've written other books. If you have, we'd like to know the name of the publisher and whether or not those books are currently in print.

SUBMISSIONS SHOULD BE SENT TO:

Children's books: ChildrensEditorial@sterlingpublishing.com

Adult books: editorial@sterlingpublishing.com

We'll contact you as soon as we're able via letter or telephone. We are constantly reviewing new proposals, and given the volume of submissions we receive, it may take several months for a reply. We appreciate your patience.

Thank you for your interest in Sterling.
