“[The Mexican American Experience in Texas] serves as a thorough retelling of critical events that have shaped the cultural identity [of Mexican Americans] in Texas all the way back to the state’s earliest days.”

—TEXAS OBSERVER

“Martha Menchaca has done what no one has to date. In concise, cogent prose and analysis, she seamlessly synthesizes the vast historical literatures spanning the Spanish colonial period, Mexican era, and US conquest and incorporation, up through the present. Focusing on Texas Mexicans’ contributions to creating a more just world, The Mexican American Experience in Texas provides a fresh, foundational narrative that places Texas Mexicans at the center of Texas’s future.”

Her arc has a candour, clarity and retrospective warmth born of sobriety and therapy. Valentine can write.”
