

DONORS TO THE UNC PRESS AUTHORS FUND

Since its launch in 2013, over 500 authors, heirs, and friends have donated over \$175,500 in royalties and separate gifts to the UNC Press Authors Fund, supporting the first books of 114 young scholars. These funds underwrite the production costs of the emerging scholars' monographs, helping us keep the price affordable. Both the Press and the authors whose books are supported are grateful. Zandria Robinson, author of *This Ain't Chicago*, speaks for us all in her enthusiastic remark that she "was absolutely elated [to be] one of the inaugural recipients of support from the Authors Fund... Please share my gratitude with the dozens of authors whose generosity has made this fund possible." The list of donors to the UNC Press Authors Fund to date includes:
